DEPARTMENT OF CIVIL ENGINEERING

REPORT ON

A Model Exhibition on Civil Engineering Structures

Date: 16-09-2018

The Civil Engineering department organized a model exhibition on the Civil Engineering Structures on the eve of Engineer's day i.e., on 15/09/2018. The programme commenced with the inaugural function by inviting the guest Prof A. Rami Reddy, HoD of CE, VBIT, Hyderabad who was the chief guest for the exhibition, the Director of the Institution Dr C V Krishna Reddy, Dean, School of Engineering Dr G Janardhana Raju, HoD of Civil Engineering Dept Dr. G. Subba Rao addressed the students regarding the importance of exhibition. Around 35 models of civil engineering structures have been done by the students of different colleges.

The prior instructions are given to the students through the posters and oral presentations in the respective colleges, students have made the models accordingly in prescribed size and material are used. Most of the models are working models while a few are innovative ones.

The Secretary, Shri Nalla Narasimha Reddy also visited the exhibition and appreciated the way the event was organized.

Prof A. Rami Reddy also acted as a Judge by interacting with all the team members who have presented their models in the event. He appreciated the students in this regard for their hard work..

In the Valedictory function, Director Dr C V Krishna Reddy addressed the students about the model exhibition and congratulated Dr G Subba Rao HoD CE Dept for organizing such a great event. Dean DR G Janardhana Raju spoke a few words regarding the event. Dr G Subba Rao, HoD congratulated the civil engineering faculty for their support in the success of the event. The guest was honoured with a memento by the Director.

The exhibition was concluded with the distribution of cash prizes to the top three models and consolation prizes to some of the models by the invitees.
