

**A Two-day National Conference on**  
**“Computing Communications and Electrical Engineering” (NC<sup>2</sup>E – 2019)**

**On 22<sup>nd</sup> & 23<sup>rd</sup> March 2019**

**Organized by**  
***Department of Electrical & Electronics Engineering***

***Report***

The National Conference on Computing, Communication & Electrical Engineering. The conference will be held at Hyderabad on 22<sup>nd</sup> & 23<sup>rd</sup> March 2019. The main objective of this conference is to promote scientific and educational activities towards the advancement of common man's and share ideas in using creativity to theory and practice in various disciplines and sectors related Computing, Communications and Electrical Engineering.

This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish research relations and to find global partners for future collaboration & business. The organizing committee of conference is pleased to invite prospective authors to submit their original manuscripts to NC2E (nc2e2017@nnrg.edu.in)

**Areas of Specialization:**

Power System Applications

Control Systems

Power Semi Conductors & Drives

Electrical Machine Technology

FACTS & Applications

Smart grid & micro grid

Energy saving and green IoT Applications

Smart electronic systems for solar photo voltaic and other renewable energy sources  
electric vehicles

Telecommunications

Microelectronics

Digital Synchronous Machines

VLSI

Digital Signal and Image Processing

Innovative and Smart Systems

Network computing and cloud computing

Simulation of computing systems

EIS network technology and software technology comprehensive application

The embedded system and application

Wireless Ad hoc Networks

Intelligent control

Computer simulation technology

Computing intelligence, large -scale combinatorial optimization problem of high performance algorithm design and analysis

The initiative, real-time, mobile database theory and integration technology

The conference was organized successfully for 2 days in EEE seminar hall. A total of 28 papers received from all over AP & Telangana. 14 papers received from external delegates and 14 papers from internal faculty members.

The Inauguration was hosted by Director, Dr. C.V. Krishna Reddy garu, Dean-School of Engineering, Dr. G. Janardhana Raju garu & HoD-EEE, Dr. P. Ramesh garu.

All the conference papers were published in "INTERNATIONAL JOURNAL OF RECENT TRENDS IN ENGINEERING & RESEARCH (IJRTER)" on April Issue of IJRTER in the year 2019.
