REPORT ON

ANTI-DRUG ABUSE SUMMIT-2024

The Anti-Drug Abuse Summit-2024 was held on February 10, 2024, at the BITS Pilani, Hyderabad Campus. The event was organized by the Police Commissionerate, and it focused on strategies for drug rehabilitation and recovery, aiming to address and mitigate the growing concerns related to drug abuse.

The summit was attended by a diverse group of participants, including students, faculty, and community members. Key faculty members involved in organizing the summit were N. Swapna and A. Sahithi. Student coordinators included M. Omkar, A. Tejasri, K. Sarayu, Vinod, T. Preethi, K. Rekha, and G. Kavya from the B. Pharm IV Year.

The summit aimed to:

Raise awareness about the dangers of drug abuse.

Provide education on prevention strategies.

Discuss the latest approaches and methodologies in drug rehabilitation.

Encourage community involvement and support in anti-drug initiatives.

Key Sessions and Highlights

Opening Remarks: The summit began with opening remarks by the Police Commissioner, who emphasized the importance of collective efforts in combating drug abuse. The commissioner highlighted recent trends in drug usage and the pressing need for effective rehabilitation programs.

Educational Workshops: Various workshops were conducted, focusing on:

Prevention Techniques: Presented by N. Swapna, this session covered strategies for preventing drug abuse among youth, including the role of family and educational institutions.

Rehabilitation Programs: Led by A. Sahithi, this workshop detailed modern rehabilitation methods, incorporating psychological, medical, and social aspects to support recovery.

Panel Discussion: A panel discussion featured experts from the fields of law enforcement, healthcare, and social work. They discussed collaborative strategies for drug prevention and rehabilitation and answered questions from the audience.

Interactive Session: The summit included an interactive session where participants engaged in role-playing scenarios to better understand the challenges faced by individuals dealing with drug addiction.

Conclusion

The Anti-Drug Abuse Summit-2024 was a significant step towards addressing the issues related to drug abuse. The event successfully brought together various stakeholders, providing a platform for sharing knowledge and strategies. The insights gained from the summit will be instrumental in shaping future policies and programs aimed at reducing drug abuse and supporting recovery efforts.
