### Claims

- ▶ One of the first things to do is to prepare the claims for the invention.
- ▶ prepare several draft patent claims as their first step in writing a patent application.
- ▶ Patent claims are sets of sentences, typically appearing at the end of the patent, that describe the invention being protected.
- ▶ In order to obtain a patent, the patent's claims must typically describe an invention that is new, useful and non-obvious in view of the "prior art."
- ▶ Claims provide the precise legal definition of the invention
- ▶ Claims define the boundary of the invention
