

SCHOOL OF PHARMACY

Report on

National Pharmacy Week 2023

The School of Pharmacy recently celebrated the 62nd National Pharmacy Week (NPW) with unparalleled enthusiasm, hosting a series of events dedicated to highlighting the indispensable role of pharmacists in ensuring patient safety. The week-long celebration, held from November 20 to November 25, 2023, at the Auditorium NNRG, was inaugurated with great fervor, featuring the esteemed presence of Chief Guest Dr. KRL Anadh Swaroop, Director of Scoat Pharma Pvt Ltd., Bollaram, Hyderabad.

Event Highlights:

- Inauguration Ceremony:** The NPW 2023 kicked off on November 20 with an inauguration ceremony that set the tone for the week-long festivities. Dr. KRL Anadh Swaroop's presence added prestige to the event, emphasizing the importance of recognizing pharmacists' crucial role in healthcare, particularly in ensuring patient safety.
- Educational and Awareness Events:** Throughout the week, various events were organized to educate and raise awareness about the vital contributions of pharmacists. Workshops and seminars provided insights into the latest pharmaceutical advancements and safety protocols, emphasizing the commitment of pharmacists to patient welfare.
- Student Engagement Activities:** The NPW events were not only informative but also interactive, involving students in a range of activities. These included:
 - Day 2 - Essay Writing:** An essay writing competition was conducted, giving B Pharmacy students from all four years an opportunity to express their thoughts on patient safety and the role of pharmacists.
 - Day 3 - Elocution:** A platform was provided for students to showcase their oratory skills, with elocution competitions focusing on the theme of patient safety.
 - Day 4 - Theme Painting:** Students unleashed their creativity in a theme painting competition, expressing their understanding of the importance of patient safety through art.
 - Day 5 - E-Poster Presentation:** The week concluded with an E-poster presentation where students utilized digital platforms to present their research and findings related to patient safety in pharmacy practices.
- Valedictory Ceremony:** The closing ceremony on November 25, 2023, was a grand affair. Dr. Vamshi Madgula, Associate Vice President, and Head of DMPK Toxicology and Safety Pharmacology Services at Sai Life Sciences, Hyderabad, graced the occasion as the chief guest. The ceremony acknowledged and honored the active participation and outstanding contributions of students from all four years in the NPW 2023 celebrations.

The highlight of the valedictory ceremony was the recognition of winners from the diverse array of competitions, emphasizing the talents and intellect of the students who passionately engaged in promoting the theme of patient safety in pharmacy practices.

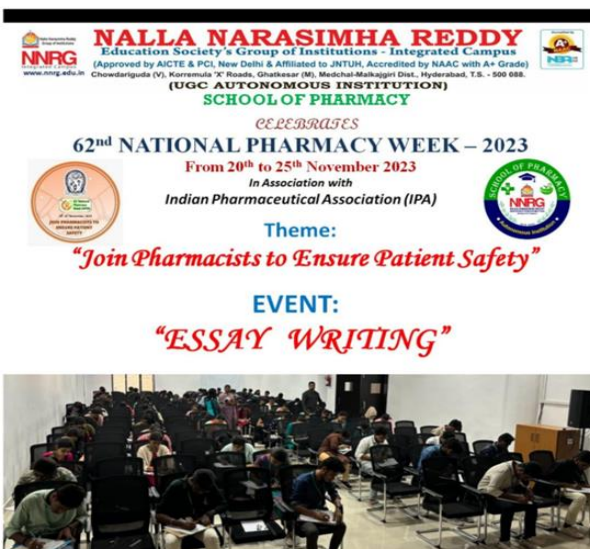

Conclusion: The 62nd National Pharmacy Week at the School of Pharmacy was a resounding success, fostering awareness, engagement, and appreciation for the pivotal role pharmacists play in ensuring patient safety. The diverse range of events and competitions not only showcased the talents of the students but also underscored the critical importance of pharmacists in safeguarding the well-being of patients. The school looks forward to continued celebrations that promote the significance of pharmacists in healthcare.
