CAMPUS TO CORPORATE

On November 18, 2023, a comprehensive training session titled "Campus to Corporate" was conducted by Mr. D. Raghu, a seasoned trainer associated with the Telangana Academy for Skill and Knowledge. The session was specifically organized for fourth-year students, aiming to bridge the gap between academic learning and the expectations of the corporate world.

Objectives of the Training Session

The primary objectives of the training session were: Equip students with essential skills required for a smooth transition from campus life to the corporate environment.

Provide insights into corporate culture, expectations, and professional conduct.

Enhance communication skills, teamwork, and problem-solving abilities.

Overview of the Training Session

a. Interactive Lectures:

Mr. D. Raghu initiated the session with interactive lectures covering key topics such as professional etiquette, workplace communication, and corporate expectations. The students actively participated, raising questions and engaging in discussions.

b. Practical Workshops:

The training included practical workshops designed to simulate real-world scenarios. Students were given hands-on experience in drafting resumes, participating in mock interviews, and solving workplace challenges.

c. Guest Speakers:

To provide diverse perspectives, guest speakers from various industries were invited to share their experiences and insights. This allowed students to gain a comprehensive understanding of different corporate cultures.

d. Skill Enhancement Exercises:

Various skill enhancement exercises, including team-building activities and problem-solving tasks, were incorporated to foster collaboration and critical thinking among the students

IV. Trainer's Expertise

Mr. D. Raghu, as the lead trainer, brought a wealth of experience and expertise to the session. His in-depth knowledge of the corporate landscape, coupled with an engaging teaching style, created an enriching learning environment for the participants.

V. Feedback and Evaluation

After the training session, participants were encouraged to provide feedback. The majority of the students expressed high satisfaction with the content, delivery, and overall effectiveness of the training. Constructive feedback will be considered for future improvements.

VI. Conclusion

The "Campus to Corporate" training session by Mr. D. Raghu was a resounding success, equipping fourth-year students with the necessary skills and knowledge for a seamless transition into the professional world. The proactive involvement of the students, coupled with the trainer's expertise, contributed to the overall success of the program. This training initiative by the Telangana Academy for Skill and Knowledge serves as a commendable effort in preparing students for the challenges and opportunities that lie ahead in their corporate journey.

Students of B. Pharmacy III year (106) have participated in the program
