### **GPAT AND NIPER--JEE AWARENESS PROGRAM**

Dr. Dinesh Neradi, a renowned expert in the field of pharmacy, recently conducted an interactive session with 3rd-year B.Pharmacy students to raise awareness about the Graduate Pharmacy Aptitude Test (GPAT). The session aimed to enlighten students about the significance of GPAT, its preparation strategies, and the opportunities it unlocks in the pharmaceutical sector.

#### Key Points Discussed:

1.Introduction to GPAT: Dr. Dinesh Neradi provided a comprehensive overview of the GPAT exam, explaining its purpose, structure, and relevance in the pharmaceutical industry. He emphasized how GPAT serves as a qualifying examination for admission to postgraduate pharmacy programs.

2.Scope and Opportunities: The speaker discussed the various opportunities that a good GPAT score opens up, including admission to prestigious M.Pharmacy programs, eligibility for scholarships, and increased chances of securing desirable positions in the industry or academia.

3.Exam Pattern and Syllabus: Detailed insights were provided regarding the GPAT exam pattern, including the number of questions, marking scheme, and time allocation. Dr. Neradi also discussed the syllabus, focusing on key areas that students should prioritize during their preparation.

4.Preparation Strategies: Dr. Dinesh Neradi shared effective strategies for preparing for the GPAT exam, including recommended study materials, time management tips, and the importance of consistent practice. He encouraged students to adopt a structured study plan tailored to their strengths and weaknesses.

5.Mock Tests and Previous Years' Papers: The speaker highlighted the importance of solving mock tests and practicing previous years' papers to familiarize students with the exam pattern and enhance their time management skills. He provided insights into the type of questions commonly asked in GPAT.

6.Question and Answer Session: An interactive Q&A session allowed students to seek clarification on specific concerns or queries related to GPAT. Dr. Dinesh Neradi addressed individual questions, providing personalized guidance to help students feel more confident about the exam.

Conclusion: Dr. Dinesh Neradi's interactive session on GPAT exam awareness proved to be invaluable for the 3rd-year B.Pharmacy students. The comprehensive information provided, coupled with practical tips and strategies, will undoubtedly empower students to approach the

GPAT exam with confidence and better preparedness. The session not only addressed the technical aspects of the exam but also served as a motivational platform for students to strive for success in their future endeavors.

**Faculty, Staff, and female students of B. Pharmacy III year(98) have participated in the program**
