AWARENESS SESSION ON ABROAD EDUCATION

On 17th November 2023, Global Tress Overseas Education Consultancy organized an awareness session on abroad education, aiming to provide valuable information to aspiring students. The session covered various aspects, including government schemes and scholarships, exam requirements for pursuing master's abroad, and the visa application processes.

Highlights of the Awareness Session:

Government Schemes and Scholarships by Mr. Prakash:

Mr. Prakash, a representative from Global Tress Overseas Education Consultancy, delivered an insightful presentation on government schemes and scholarships available for students aspiring to pursue education abroad.

He elaborated on the different programs initiated by governments worldwide to support international students financially.

Mr. Prakash provided detailed information on eligibility criteria, application procedures, and the benefits associated with these schemes.

Exam Requirements for Master's Abroad by Ms. Navya:

Ms. Navya, another representative from the consultancy, discussed the various exams required to qualify for master's programs abroad.

She highlighted popular exams such as GRE, GMAT, TOEFL, and IELTS, providing an overview of each exam's structure, scoring, and relevance to different academic fields.

Ms. Navya shared tips and strategies for exam preparation, emphasizing the importance of thorough planning and timely registration.

Visa Processes by Mr. Abdul and Ms. Surekha:

Mr. Abdul and Ms. Surekha guided attendees through the intricacies of the visa application processes for studying abroad.

They explained the necessary documentation, visa categories, and steps involved in the application process.

Both speakers addressed common challenges students might face during the visa application process and offered practical solutions.

Conclusion:

The awareness session conducted by Global Tress Overseas Education Consultancy on 17th November 2023 provided attendees with comprehensive insights into the critical aspects of pursuing education abroad. The speakers, Mr. Prakash, Ms. Navya, Mr. Abdul, and Ms. Surekha, collectively contributed to creating an informative and interactive session. The consultancy's commitment to guiding students through the entire process, from scholarships to visa applications, was evident in the thoroughness of the presentations.

This event successfully equipped participants with valuable knowledge and resources, empowering them to make informed decisions about their education abroad. The consultancy's efforts in organizing such sessions contribute significantly to facilitating a smoother transition for students seeking international education opportunities.

Faculty, and students of B. Pharmacy IV year (88) have participated in the program
