Report on

WORLD PHARMACIST DAY 2023

On September 25, 2023, in celebration of, NNRG School of Pharmacy organized a series of engaging events to emphasize the importance of Pharmacy education. The day began with a spirited awareness rally that commenced at Narapally and concluded at NNRG, covering a distance of approximately 5 kilometers. The event was attended by faculty, staff, students, and the dean of the School of Pharmacy.

The rally served as a symbolic gesture to spread awareness about the vital role pharmacists play in healthcare. Participants carried banners and placards highlighting the significance of pharmacy in the community. The energetic procession aimed to convey the message of the crucial role pharmacists play in patient care, medication management, and public health.

Afternoon Session - Interaction with Distinguished Guests:

The afternoon session featured distinguished guests from various fields within pharmacy, who shared their valuable experiences with the aspiring pharmacists at NNRG School of Pharmacy. The guests included:

1. **Scientist:** Dr. N. Dinesh, a renowned scientist in the pharmaceutical industry shared insights into cutting-edge research and advancements in drug development. The speaker emphasized the role of research in shaping the future of pharmacy.
2. **Drug Inspector:** Ms. Indira Priyadarshini an experienced drug inspector provided valuable perspectives on regulatory compliance, quality control, and the role of drug inspectors in ensuring the safety and efficacy of pharmaceutical products.
3. **Exercise Officer:** Ms. A. Sravani the exercise officer shed light on the emerging field of sports pharmacy, discussing the intersection of pharmacy and physical well-being. The speaker highlighted the role of pharmacists in optimizing medication regimens.
4. **Hospital Pharmacist:** Ms. V. Priyadarshini, a hospital pharmacist shared experiences from the clinical setting, discussing the challenges and rewards of working in a healthcare institution. The speaker emphasized the critical role of pharmacists in patient care.

Felicitation Ceremony: The speakers were felicitated by the Dean of the School of Pharmacy and the Director of NNRG in front of the budding pharmacists. The felicitation ceremony aimed to acknowledge and appreciate the contributions of these professionals to their respective fields.

Sharing Experiences: Each speaker enthusiastically shared their experiences, challenges, and successes in their specialized fields. The interactive session allowed students to gain valuable insights into the diverse career paths within pharmacy and understand the real-world applications of their education.

Conclusion: The World Pharmacist Day celebrations at NNRG School of Pharmacy successfully combined a meaningful awareness rally with an insightful afternoon session. The event not only highlighted the importance of pharmacy education but also provided students with the opportunity to interact with accomplished professionals, gaining a deeper understanding of the multifaceted nature of the pharmacy profession.
