

REPORT ON ALUMNI CONNECT PROGRAM

School of Pharmacy organized an Alumni Connect Program on 07 March 2026 for III and IV-year B.Pharmacy students. The session was delivered by Ms. M. Sirisha, a distinguished alumna who secured AIR-2 with 99.9% marks in the UGC NET-JRF Examination 2026 in the occupation of Women's Day. Ms. Sirisha shared her academic journey, preparation strategies, and experiences that contributed to her remarkable achievement. She discussed effective study planning, time management, subject-wise preparation techniques, and approaches for handling competitive examinations successfully. The speaker emphasized the importance of consistency, self-discipline, and conceptual understanding in achieving academic excellence. Students were highly motivated by her success story and actively interacted during the question-and-answer session. The program served as an excellent platform for students aspiring to pursue higher education, research careers, and competitive examinations in pharmaceutical sciences. Outcome: Students gained valuable guidance on competitive examination preparation, research opportunities, and strategies for achieving academic excellence. Participants: B.Pharm III Year – 71 Students; B.Pharm IV Year – 56 Students
