

SCHOOL OF PHARMACY

REPORT ON

AWARENESS PROGRAM

An awareness session on Sponsored Certification Programs was organized on 24.04.2025 in the Seminar Hall of the School of Pharmacy, NNRG. The session was conducted from 10:00 AM to 11:00 AM and was attended by 86 final-year B.Pharmacy students.

The program was coordinated by U. Kumara Swami, Project Coordinator, LSSSDC, who explained about the training programs sponsored by Biological E. Limited in association with Skill India, NCVET, LSSSDC, and Datla Foundation. He highlighted the importance of the certification programs in enhancing the employability skills of the students.

Two main certification programs were promoted:

1. Production Machine Operator (Sterile Formulations)
2. Microbiologist (Quality Control)

Dr. Krishna Mohan Chinnala, Dean, School of Pharmacy, NNRG, addressed the students, emphasizing that participating in such training programs from reputed institutions would strengthen their biodata and greatly benefit them by adding valuable skills through a 3-month skill development program.

Key Highlights:

- Duration of Training: 90 Days
- Time: 9:00 AM to 6:00 PM
- Mode: Non-Residential
- Program Fee: Fully Sponsored (Earlier ₹50,000)
- 100% Placement Assistance

Eligibility Criteria:

- For Production Machine Operator: B.Sc. (BZC), B.Pharm, D.Pharm, Diploma in Chemical Engineering, ITI (2023/2024 pass outs).
- For Microbiologist Quality Control: B.Sc. (BZC), UG in Microbiology, or any relevant degree (2023/2024 pass outs).

The session concluded with a call to action for students to register through the provided QR code and make use of this excellent opportunity for skill enhancement and career advancement.
