

## SCHOOL OF PHARMACY

### REPORT ON

### AWARENESS PROGRAM

On October 23rd, 2024, an awareness program was organized by Global Tree, Hyderabad, at the NNRG School of Pharmacy Seminar Hall. The session was aimed at educating students about opportunities for higher education and career prospects abroad. The event was led by Mr. Md. Omkar Khalid, the Managing Director of Global Tree, and attended by 180 B.Pharmacy students from the third and fourth years.

#### Overview of the Program

Mr. Md. Omkar Khalid delivered an engaging and informative session, sharing his expertise on global education and career pathways. The program provided students with comprehensive guidance on how to plan their future studies and careers in various countries.

#### Key Highlights of the Session

##### 1. Global Education Opportunities

- Mr. Khalid discussed the countries Global Tree is affiliated with, including:
  - Australia
  - Germany
  - Ireland
  - United Kingdom (UK)
  - Singapore
- He emphasized the unique advantages each country offers for pharmacy students, such as high-quality education, research opportunities, and career growth.

##### 2. Essential Exams for Studying Abroad

- Detailed information was provided about the key language proficiency exams:
  - PTE (Pearson Test of English)
  - TOEFL (Test of English as a Foreign Language)
- Mr. Khalid explained the significance of these exams and how they serve as prerequisites for admission to universities abroad.

##### 3. Intake Timelines

- The session included a discussion on the intake timelines for various countries, enabling students to plan their applications well in advance.

#### 4. Documentation and Support

- Mr. Khalid outlined the essential documentation required for applications, such as transcripts, letters of recommendation, and statement of purpose.
- He elaborated on the comprehensive support Global Tree provides, including:
  - University selection guidance
  - Application assistance
  - Visa processing support

#### Impact on Students

The awareness program was highly impactful and well-received by the students. Key outcomes included:

1. Increased Awareness: Students gained a clear understanding of the steps involved in pursuing higher education abroad.
2. Practical Guidance: The session provided actionable advice on preparing for exams and meeting application deadlines.
3. Confidence in Ambitions: Students felt more confident about exploring international education opportunities and achieving their goals

The students appreciated the interactive nature of the session, with many praising Mr. Khalid's ability to address their queries effectively. The insights into the application process and the personalized guidance offered by Global Tree were particularly valued.

The awareness program by Global Tree was a resounding success, equipping students with the knowledge and tools to pursue their ambitions on a global scale. Events like this align with the NNRG School of Pharmacy's commitment to preparing students for international opportunities and fostering their professional growth. Similar initiatives in the future will continue to inspire and empower students in their academic and career journeys.
