
REPORT OF WORKSHOP ON

“CHEMINFORMATICS AND MOLECULAR DOCKING HANDS ON

APPROACH (CMDW-2020)”

School of Pharmacy, Nalla Narasimha Reddy Education Society's Group of Institutions Organized a two day workshop on “Cheminformatics and molecular docking hands on approach (CMDW-2020)” from 10-02-2020 to 11-02-2020 at its Computer centre.

The Director of the campus Dr.C.V.Krishna Reddy has inaugurated the workshop and advised all the faculty to utilize this great opportunity to enhance their skills in the specified area. The Convener of the workshop Dr.Krishna Mohan Chinnala said that, the workshop is exclusively arranged for Pharmaceutical Chemistry Faculty of pharmacy colleges on Cheminformatics and Molecular Docking. He also assured that, these two days all the Pharma. Chemistry faculty can learn the softwares with hands on training.

Dr.I.Bharath Kumar, HOD, Department of Pharmaceutical Analysis, School of Pharmacy, NNRG gave an overview of the program on Cheminformatics & Molecular Docking. He also trained the participants in Molecular Docking with hands on training.

Mr. K. Ravi Kumar, HOD, Department of Pharmaceutical Chemistry, School of Pharmacy, NNRG has explained Molecular Structures representations and hands on Marvin Sketch.

Dr.K.Durga Prasad, Associate Professor, HOD, Department of Pharmaceutical Chemistry Vaagdevi College of Pharmacy, Warangal has taken session on Ligand preparation and Protein preparation.

Pharmaceutical Chemistry Faculty of School of Pharmacy, NNRG and 30 participants from other 18 Institutions have attended the workshop.

Participants of CMDW-2020 workshop with organizers.

**Dr.I.Bharath Kumar, Mr.K.Ravi Kumar and Mr.Muzaffer faculty members of NNR SOP
Conducting hands on training with the participants at CMDW-2019 workshop.**
