

REPORT ON SEMINAR

School of Pharmacy organized a 'Seminar' on "What the Pharma Industry is expecting from a Pharmacy Graduate" for B. Pharm and M. Pharm students on 08-01-2015 at 11.00AM in NNRSOP seminar hall. An eminent scientist from NATCO Pharma Pvt. Ltd, Dr. Krishna Murthy Bhavanasi, acted as Resource Person for the seminar. He addressed the students about the role of a pharmacy graduate for the future. He also discussed that all the students should have a practical knowledge along with theoretical knowledge. He also explained with suitable examples about what a Pharma industry is expecting from pharmacy graduates. He has concluded his speech by saying "every pharmacy graduate must have learning attitude with them". All the teaching staff and students of B. Pharm and M. Pharma attended the seminar.
