

SCHOOL OF PHARMACY

REPORT ON

ALUMNI CONNECT

In continuation of its efforts to strengthen alumni relations and provide meaningful career guidance to current students, the School of Pharmacy at Nalla Narasimha Reddy Group of Institutions organized an “Alumni Connect” session on November 22, 2024, in the Seminar Hall. The session was held from 3:00 PM to 4:00 PM and featured Mr. Ch. Achyuth Reddy, a proud alumnus from the B. Pharm 2018–2022 batch, who is currently working as a Forms Specialist Associate at Tech Mahindra.

The primary objective of the session was to inspire and guide the current fourth-year B. Pharmacy students by sharing real-life professional experiences, career paths, and industry insights. Mr. Achyuth Reddy provided an engaging and motivational talk, drawing from his journey as a pharmacy graduate transitioning into a corporate role.

Key highlights of the session included:

- Sharing of academic and professional experiences, including the transition from pharmacy education to a role in a global IT services company.
- Guidance on skill development, resume building, and interview preparation.
- Insights into interdisciplinary career opportunities available to pharmacy graduates, particularly in domains such as pharmacovigilance, regulatory affairs, and healthcare IT.
- Encouragement for students to be proactive in networking, internships, and continuous learning to enhance employability.

The session also included a lively Q&A interaction, where students eagerly sought advice on career planning, postgraduate options, and industry expectations. Mr. Reddy responded with practical and personalized recommendations, motivating students to stay focused and open-minded about diverse career paths.

Conclusion:

The “Alumni Connect” session proved to be a valuable and motivating experience for the final-year students. The interaction with a successful alumnus served not only as a source of inspiration but also as a practical guide to navigating life after graduation. The School of Pharmacy looks forward to conducting more such alumni engagement programs to foster a strong support network and enhance student readiness for the professional world.
