**Report on “Praja Palana Pragathi Pranalika & Drugs Control and  
Regulatory Strengthening Day”**

An Awareness Program was organized by the Drugs Control Administration (DCA), Government of Telangana, as part of the Praja Palana -Pragathi Pranalika initiative at Kamineni Hospital, LB Nagar on 11th April 2026. The program aimed to enhance awareness regarding drug regulations, safety, and the role of future pharmacy professionals in strengthening the healthcare system.

Dr.Krishnamohan Chinnala, Dean School of Pharmacy, N.Aravinda, Assistant Professor and the winners of various competitions like Essay writing & Quiz competitions attended the program at Kamineni Hospital, LB Nagar on 11th April 2026.

As a part of Praja Palana Pragathi Pranalika of DCA, NNRG School of Pharmacy has organized various competitions like Essay writing & Quiz on 9<sup>th</sup> April 2026. Around 53 students are participated in Essay writing competition and 44 students are participated in Quiz competition.

The main objectives of the program are to create awareness about drug control regulations and policies, to educate students on the importance of regulatory compliance in pharmacy practice, to encourage student participation through academic competitions and to promote excellence in pharmaceutical education and practice.

A prize distribution ceremony was held to recognize the outstanding performance of students in the Quiz and Essay Writing competitions. The winners were awarded certificates and prizes by the officials of DCA, Government of Telangana.

The ceremony highlighted the academic excellence and enthusiasm of students towards learning and contributing to the pharmacy profession

**The key highlights of the program are**

- \* The event was conducted in the presence of distinguished officials from DCA like Smt Anjuma, Deputy Director, DCA, Telangana, Narcotic Drug Inspectors and other Drug Inspectors.
- \* Experts delivered insightful talks on drug safety, regulation, and public health.
- \* The program emphasized the importance of strengthening regulatory frameworks in healthcare.
- \* Increased awareness about drug control and regulatory practices.
- \* Encouraged analytical and critical thinking among students.
- \* Motivated students to actively engage in professional development activities.
- \* Strengthened the connection between academic institutions and regulatory authorities.

The Awareness Meeting organized by DCA, Government of Telangana, was highly informative and impactful. It successfully achieved its objective of educating and motivating students towards responsible pharmacy practice and regulatory awareness.

The recognition of students through prizes added value to the program and encouraged them to strive for excellence in their academic and professional pursuits.
