

SCHOOL OF PHARMACY

REPORT ON

SKILL DEVELOPMENT PROGRAM

A two-day Skill Development program on Presentation Skills & Team Work by Mr. Mark Louis Horne, Trainer, Telangana, Academy for Skill and Knowledge (TASK), on 25th and 26th June 2025 at the Seminar Hall was organised by the School of Pharmacy, Nalla Narasimha Reddy Education Society's Group of Institutions, aimed at enhancing the practical knowledge and employability skills of pharmacy students. This initiative aligned with the institution's vision of nurturing competent pharmacy professionals who are industry-ready and socially responsible.

The program was meticulously planned to bridge the gap between academic learning and industry expectations. It featured a series of hands-on sessions, expert talks, and interactive workshops. Participants included students from all years of B. Pharmacy, who showed active involvement and enthusiasm throughout the sessions.

Objectives of the Program:

- To equip students with practical skills essential for the pharmaceutical industry.
- To enhance soft skills such as communication, teamwork, and leadership.
- To provide awareness of industry trends, regulatory requirements, and innovation in pharmacy practice.
- To foster entrepreneurial thinking and innovation.

Program Highlights:

- **Technical Sessions:** Focused on instrumental techniques, formulation development, quality control, and regulatory affairs.
- **Skill Workshops:** Included resume writing, interview preparation, and personality development.
- **Guest Lectures:** Delivered by industry experts and academicians covering topics like clinical research, pharmacovigilance, and novel drug delivery systems.

- Mock Interviews & Group Discussions: Conducted to boost students' confidence and interpersonal skills.

The sessions were conducted by experienced faculty members and invited professionals from the pharmaceutical industry. Students expressed that the program significantly improved their understanding of real-world applications of their theoretical knowledge.

Outcome:

- Enhanced student confidence and practical skillset.
- Improved readiness for campus placements and internships.
- Development of a positive attitude toward continuous learning and professional growth.

Dr. Krishna Mohan Chinnala, Dean of the School of Pharmacy appreciated the efforts of the organizing team and encouraged students to actively participate in such developmental initiatives in the future. Feedback from participants was overwhelmingly positive, and suggestions were taken for future programs.
