

SCHOOL OF PHARMACY

REPORT ON

FRESHERS' DAY CELEBRATION

The School of Pharmacy at Nalla Narasimha Reddy Education Society's Group of Institutions came alive with excitement as the second-year B. Pharmacy students warmly welcomed the incoming first-year batch with a grand Freshers' Day celebration on 22nd February 2025. The event, held in the Seminar Hall, was a vibrant and joyous occasion aimed at breaking the ice and fostering a sense of camaraderie among the students.

The program began with a traditional welcome, followed by a formal address by the faculty members who conveyed their blessings and best wishes to the newcomers. The hosts set the tone for the day with energetic compering and a warm introduction to the significance of Freshers' Day in college life.

The event featured a series of engaging cultural performances, including classical and contemporary dance routines, melodious singing performances, and instrumental showcases. These acts were interspersed with fun-filled games and interactive sessions that kept the audience entertained and involved.

A highlight of the celebration was the ramp walk, where the freshers confidently walked the stage, introduced themselves, and showcased their talents. This segment allowed the juniors to express themselves creatively and connect with their peers and seniors.

Senior students took the opportunity to share their personal experiences, insights, and tips on how to navigate academic life, manage time effectively, and make the most of the college environment. Their words served as both motivation and guidance for the freshers.

The much-awaited moment arrived with the crowning of Mr. Fresher and Ms. Fresher, selected based on their performance, enthusiasm, and overall presentation throughout the event. This was followed by a group photo session, capturing the cherished memories of the day.

The program concluded with the distribution of refreshments for all attendees, allowing everyone to mingle and interact in a more relaxed setting.

The Freshers' Day celebration was a resounding success, marked by smiles, applause, and budding friendships. It not only welcomed the first-year students into the NNRG School of Pharmacy family but also laid the foundation for a positive and collaborative academic journey ahead.

Students engaged in the Fresher's party.
