### **REPORT ON CAREER GUIDANCE PROGRAM**

A session on “Strategic Decision-Making and Knowledge Integration: Cultivating Intellectual Excellence” was organised on 26th August 2025 (Tuesday) for the III Year B. Pharmacy students in the Mini Seminar Hall. The event was well-received, with active participation and enthusiasm from the students.

The resource person, Dr. Neeradi Dinesh, Managing Director of Neeradi Biosciences Pvt. Ltd. (Dr. Dinesh’s Pharma), Hyderabad, is a distinguished professional with vast expertise in the pharmaceutical industry and education sector. He delivered an insightful and thought-provoking session aimed at equipping future pharmacy graduates with essential intellectual and professional skills.

In his lecture, Dr. Dinesh emphasised the following key areas:

- The importance of strategic decision-making in both academic and professional spheres.
- How to integrate knowledge across multiple domains to strengthen analytical and problem-solving abilities.
- The need for intellectual skill development to meet the demands of a rapidly evolving pharmaceutical industry.
- Encouraging students to build confidence, adaptability, and critical thinking abilities to excel as future healthcare professionals.

The session was highly interactive, as students actively engaged with the speaker, asked relevant questions, and shared their perspectives. Dr. Dinesh provided practical examples and real-world insights, making the discussion more relatable and inspiring for the participants.

Overall, the lecture served as a motivational and knowledge-enriching experience, guiding students to adopt a holistic approach toward their academic pursuits and career aspirations. It instilled a strong sense of purpose, encouraging them to strive for excellence in both personal and professional life.
