

SCHOOL OF PHARMACY

AWARENESS PROGRAMS

On July 1st, 2024, the School of Pharmacy at NNRG celebrated International Yoga Day with enthusiastic participation from students and faculty. The event featured yoga sessions promoting physical well-being and mental clarity. Participants engaged in various yoga practices and mindfulness activities, fostering community and wellness within the institution. The celebration emphasized the importance of incorporating yoga into daily routines for stress relief and overall health, reinforcing the commitment to holistic education and well-being among the students and faculty.

FIELD VISIT

On August 17, 2024, final-year students Nitya Raj, Sharvari, and Nishitha, along with Dr. B. Sree Giri Prasad, attended an awareness and sensitization program on drug abuse and anti-ragging, organized by the Telangana Council of Higher Education (TGCHE). The event occurred at 9:30 A.M. in the auditorium of JNAFAU, located in Masab Tank, Hyderabad. The program aimed to educate students about the dangers of drug abuse and the importance of creating a safe and supportive environment in educational institutions. Attendees engaged in discussions and activities emphasising awareness and prevention strategies, contributing to a positive campus culture.

INDEPENDENCE DAY CELEBRATION

On August 15th, 2024, NNRG celebrated Independence Day with great enthusiasm. The director, deans, and faculty members demonstrated their patriotism by delivering inspiring speeches and performing songs that honoured the spirit of freedom and national pride. The event fostered a sense of unity and respect among students and staff, reminding everyone of the importance of independence and the values that it represents. The celebrations included cultural performances and activities that engaged the entire community, making the occasion memorable for all participants.

STUDENT ACHIEVEMENTS

On July 2nd, 2024, students from the B.Pharmacy program participated in an elite gathering to foster networking and professional development. The event brought together industry leaders, alumni, and academic professionals, providing students with valuable insights into career opportunities in the pharmaceutical sector. Attendees engaged in discussions on current trends, research advancements, and best practices in the field. The gathering served as an excellent platform for students to connect, ask questions, and gain inspiration for their future careers, enhancing their educational experience and professional aspirations.

On July 4th, 2024, final-year students, along with Dr Krishna Mohan Chinnala, Dean SOP,

attended the IPC Conference held at HITEX, Hyderabad. The conference provided a valuable opportunity for students to engage with industry experts and gain insights into the latest developments in the pharmaceutical sector. Attendees participated in various sessions, including presentations on cutting-edge research, panel discussions, and workshops. The event not only enhanced their knowledge but also allowed them to network with professionals, fostering connections that could benefit their future careers in pharmacy. Overall, the experience was enriching and inspiring for all participants.

On 11.08.2024, A.V.Sai Ganesh, a 2020-2024 batch School of Pharmacy student, was Admitted to the Dept. Of Pharmacology and Toxicology at the prestigious Jacob School of Medicine and Biomedical Sciences at the University at Buffalo (Public University) USA. He is leaving for the USA on 11.08.2024. Thank you for your support.

On July 11th, 2024, the results of the GPAT examination were released, revealing that 18 students from the program had qualified. This achievement highlighted their hard work and dedication in preparing for the exam. The successful candidates expressed their excitement and relief, as qualifying for GPAT opens up various opportunities for further studies and career

advancements in the pharmaceutical field. The program celebrated this milestone, encouraging all students to strive for excellence in their academic pursuits.

- ✓ Students of the School of Pharmacy attended an intra-institutional competition on startup ideas organized by the School of Management and achieved remarkable success by securing two prizes. This event provided a valuable opportunity for aspiring entrepreneurs to present their innovative concepts and business plans. Participants showcased their creativity, received constructive feedback from faculty and industry experts, and engaged in meaningful discussions about the practical applications of their proposals. The recognition from the competition highlights the entrepreneurial spirit and talent within the School of Pharmacy, fostering a culture of innovation among students.

FACULTY ACHIEVEMENTS

- ✓ On 24.08.2024 Dr. Raja Shekar successfully completed his PhD viva voce today at JNUH! This achievement adds another doctorate to the esteemed School of Pharmacy at NNRG, reflecting the institution's commitment to academic excellence and research.
