NATIONAL PHARMACY EDUCATION DAY-2024

Pharma Anveshan-2024, held on March 6, 2024, at Nalla Narasimha Reddy Education Society's Group of Institutions (NNRG), marked National Pharmacy Education Day. The event, themed "Leveraging Synergism: Industry-Academia Partnership for Implementation of the National Education Policy (NEP)," featured a keynote address by Dr. Krishna Mohan Chinnala, Dean of the School of Pharmacy. Dr. Chinnala emphasised the importance of collaboration between industry and academia in enhancing pharmacy education through research, internships, and updated curricula. The event highlighted innovative teaching methods, the integration of technology, and the need for NEP-aligned reforms to prepare students for future challenges in the pharmaceutical industry. Key outcomes included plans for curriculum updates, stronger industry collaborations, and adopting advanced technology in education.

On March 12th, 2024, the Institution's Innovation Council (IIC) of Nalla Narasimha Reddy Education Society organised a field visit to Balavikasa, a prominent organisation in Hyderabad focused on community development. The visit aimed to provide students with practical insights into research applications in social innovation, covering areas like water management and women empowerment. Activities included facility tours, presentations on ongoing research initiatives, interactive sessions with researchers, and hands-on projects in sustainable agriculture. Overall, students gained valuable knowledge about effectively utilizing research to address community challenges and were inspired to integrate these insights into their future work, bridging the gap between academic theory and real-world application.

FACULTY DEVELOPMENT PROGRAM

From April 26th to April 30th, 2024, a one-week Short Term Training Program (STTP) on "Intellectual Property Rights and Sustainable Development Goals" (IPRSDG-2024) was organized by the ISTE NNRG chapter in collaboration with the IIC, NNRG, and APTI, TS. The program aimed to enhance participants' understanding of the interplay between intellectual property rights and sustainable development. Attendees engaged in discussions and activities highlighting the importance of IPR in promoting innovation and sustainability. The event fostered a collaborative learning environment and was well-received by all participants.
