

AWARENESS PROGRAM

An awareness generation program on DRUG ABUSEMENT and PREVENTION in Universities and Colleges supported by National Small Industries Corporation (NSIC) Technical Services Center (TSC), Hyderabad, A Govt. Of India Enterprise, Ministry of MSME. In Association with the National Institute of Social Defense, Ministry Of Social Justice And Empowerment, Govt. of India. Mr.Muthu Kumaran, Deputy Manager, NSIC,-TSC and Dr. N. Manoharan, the Motivational Speaker stated to the students that there is a high cost for not implementing best practices in drug abuse prevention for students, campuses, and the larger community. Drug abuse can have many short- and long-term negative effects including physical and mental health problems, legal consequences, and impairment in many areas of a person's life, from school to work and interpersonal functioning. The majority of students are attending institutions of higher education to not only further their education, but also to enrich their future employment opportunities. Drug abuse can interfere with a student's ability to be successful in attaining this goal by disrupting their ability to finish course work, remain a matriculated student at their institution, and graduate at NNRG SOP Seminar Hall on 06.05.2023

Mr. Muthu Kumaran addressing the speech

A National Technology Day celebration was conducted for B. Pharmacy Final Years students through hybrid mode: The theme of National Technology Day 2023 is 'School to Startups- Igniting Young Minds to Innovate.' The day acts as a reminder of the country's technological advancements. "Science is a beautiful gift to humanity; we should not distort it." "Any sufficiently advanced technology is equivalent to magic." "One machine can do the work of fifty ordinary men. No machine can do the work of one extraordinary man." Coted by Shri Narendra Modi Prime Minister of India.

B. Pharmacy Final Years students attending National Technology Day celebration
