

SCHOOL OF PHARMACY

FACULTY DEVELOPMENT PROGRAMS

From May 20th to 25th, 2024, the ISTE NNRG Chapter organised a five-day Short-Term Training Program (FDP) on "Transforming Higher Education – NEP-20 (THENEP – 2020)." With 34 participants, the program aimed to train faculty to implement the National Education Policy 2020. The event was convened by Dr. Krishna Mohan Chinnala, with Dr. Pavan Kumar Thimmaraju as Co-Convenor. Prof. M. L. Sai Kumar delivered the keynote. The program featured expert talks on NEP-2020 and a quiz and concluded with a valedictory session on May 25, 2024, followed by feedback and acknowledgements.

AWARENESS PROGRAMS

On May 21st, 2024, the ISTE Chapter NNRG and School of Pharmacy organised an informative session on "Data-Centric Clinical Research." Esteemed speakers, including Dr. Krishna Mohan Chinnala and other experts, addressed key topics such as enhancing data reliability, informed

decision-making, regulatory compliance, and advancing medical knowledge. They highlighted the importance of accurate data collection for patient safety, personalised medicine, and clinical trials. Interactive sessions allowed students from B. Pharmacy to engage with the experts, fostering a deeper understanding of clinical research. The event emphasised the critical role of data in effective, ethical clinical research, and was a great success.

INTERNATIONAL CLINICAL TRIALS DAY (ICTD) 2024
Theme: DATA CENTRIC CLINICAL RESEARCH.

Date: 21.05.2024
Time: 2.00PM to 3.00PM.
Venue: Seminar Hall, School of Pharmacy

The Business Plan Competition-2024 was held on May 4th, 2024, and was inaugurated by Dr. P. Gopinath Rao, who delivered an inspiring keynote address on the importance of innovation and entrepreneurship. The event featured workshops on idea generation, market validation, and the Business Model Canvas, led by Dr. Rao. Students engaged in interactive sessions, formed teams, and presented their business plans to a panel of judges, including Dr. Rao and industry experts. The event concluded with Dr. Rao's closing remarks, encouraging students to pursue their entrepreneurial goals. The competition was a great success, fostering creativity and collaboration among B. Pharm IV Year students.

On June 5th, 2024, the NSS unit at NNRG organized a celebration for World Environment Day. The event aimed to raise awareness about environmental issues and promote sustainability among students and staff. Various activities were conducted, including workshops, discussions, and tree plantation drives, fostering a sense of environmental responsibility. The initiative encouraged participation and highlighted the importance of protecting our planet for future generations.

An awareness program for B.Pharm III-year students was held on June 28th, 2024, organized by Overseas Education. The event aimed to provide students with insights into study abroad opportunities, including information on universities, courses, and application processes. Representatives from various international institutions shared valuable advice on pursuing higher education overseas and the benefits it offers. Students engaged in discussions about scholarships, visa processes, and cultural experiences, empowering them to make informed decisions about their future academic paths. The program successfully highlighted the possibilities available for those considering studying abroad.

SKILL DEVELOPMENT PROGRAM

From June 24th to June 29th, 2024, a comprehensive campus recruitment training program titled "Campus to Corporate (C2C)" was organised by the School of Pharmacy and the Training and Placement Cell (TPC) in association with TASK and the Department of ITE & C, Government of Telangana. The program aimed to equip students with essential skills and knowledge to transition successfully from academic life to the corporate environment. Activities included workshops, mock interviews, and group discussions, fostering both professional skills and confidence among participants. The initiative received positive feedback and significantly prepared students for upcoming recruitment opportunities.

On June 26th and 27th, 2024, the School of Pharmacy organised a training program in collaboration with TASK, focusing on Communication Skills and Presentation Skills. The sessions were conducted by trainer Mr. Mark Louis Home. Day 1 centred on enhancing communication skills, while Day 2 focused on developing effective presentation techniques. 90 students attended the training, actively participating in exercises and discussions. The program aimed to boost students' confidence and competence in professional communication, essential for their future careers. The feedback from participants indicated a significant improvement in their skills and preparedness for corporate environments.

FIELD VISIT

The Government of Telangana has launched the "Parivarthana" initiative to raise awareness among school children, college students, and educational institutions in Hyderabad about drug abuse and trafficking. On June 25th, 2024, a rally and human chain event took place at Jalavihar, Hyderabad, with around 35 students from NNREGI participating. The event was inaugurated by Sri Sandeep Shandilya, DGP of the Narcotics Wing, and flagged off by Deputy Chief Minister Sri Mallu Bhatti Vikramarka, with special guests like Olympics shooter Esha Singh and singer Anjana Sowmya. Activities included motivational films and slogans such as "Say

no to drugs - Yes to life.” The event emphasised the spread of drugs to rural areas, the government's crackdown on illicit sales, and the role of educational institutions in combating drug use. Students were encouraged to stay vigilant and report suspicious behavior. The initiative reflects the state’s commitment to protecting youth from drug abuse, with active participation from students and community figures.

The field trip to Osmania University, organised by IIC, NNRG on May 3s 1, 2024, provided students with valuable insights into research resources and methodologies. The visit began with a warm welcome and orientation, followed by a tour of key research facilities, including the central library, laboratories, and data centres. Students engaged in an interactive session with faculty, discussing multidisciplinary research, collaboration opportunities, and innovation in research. A workshop on modern research methodologies covered data analysis, research paper writing, and effective research techniques. The trip concluded with a Q&A session, motivating students to pursue research and future collaborations. Both students and faculty praised the experience for its enriching impact.

PARENT-TEACHER MEETING

The Parent-Teacher Meeting for I, II, and III-year B.Pharmacy students was held on June 22, 2024, at the School of Pharmacy, with 47 parents attending. The meeting aimed to review students' academic performance, address concerns and strengthen parent-faculty communication. Key discussions included academic progress, behavioural observations, and support services available to students. First-year parents focused on transitioning to college life, while second-year discussions emphasized balancing academics and personal life. Third-year parents discussed professional development and career preparation. Feedback highlighted appreciation for detailed academic reports, with concerns about workload and stress. Faculty committed to enhancing support, organizing stress management workshops, and fostering interactive teaching methods. The meeting successfully promoted collaboration between parents and faculty for student success.

COCURRICULAR ACTIVITY

On June 25, 2024, a farewell party was held to honour the accomplishments of B.Pharm IV-year students, organized by the B.Pharm III-year students. The event featured a warm welcome speech and guest addresses from Dr. C.V. Krishna Reddy and Dr. Krishna Mohan Chinnala, who offered advice and encouragement. Cultural performances, games, and activities added to the festive atmosphere, while special awards recognized the outgoing students' achievements in academics and extracurriculars. The IV-year students shared emotional farewell speeches, reflecting on their journey and expressing gratitude. The event was a heartfelt celebration, marking the end of one chapter and inspiring the graduates for their future endeavours.

PLACEMENTS

On May 3rd, 2024, an on-campus recruitment drive organized by VENTRA Health was held for IV-year B.Pharm students. This initiative provided students with an excellent opportunity to engage with potential employers and explore career prospects in the healthcare sector. The drive aimed to connect students with industry professionals, enhancing their chances of securing employment after graduation. Further details on student participation and selections will be provided following the interviews.

The banner features the NNRG logo on the left, the VENTRA Health logo in the center, and accreditation logos on the right. The text includes the institution name, accreditation details, a warm welcome message, the event title, and the date and venue.

On June 22nd, 2024, Biologics E Limited conducted a successful campus drive, attracting many students eager to explore career opportunities within the company. The event featured presentations about the organization's mission, values, and available roles, followed by interactive sessions where students could engage with company representatives. Participants were encouraged to prepare their resumes and were provided with valuable insights on interview techniques and industry trends. Overall, the drive fostered a positive environment for students to network and learn more about potential career paths in the biopharmaceutical sector.

STUDENT ACHIEVEMENT

- ✓ On May 6-7, 2024, the School of Management Sciences at NNRG organized a two-day Business Plan Competition titled "Empowering Innovation Minds" in the Conference Hall of the Engineering Block. Participants included II-year students B. Usharani (Roll No. 13) and J. Dhanush (Roll No. 29). Feedback on the event was provided by A.V. Sai Ganesh from IV year. Faculty members Dr. Krishna Mohan Chinnala and Aravinda supported the event, contributing to a constructive environment that encouraged innovation and entrepreneurial thinking among students. The competition was well-received and highlighted the importance of business acumen in the field of pharmacy
- ✓ On May 29, 2024, the final viva for B.Pharm projects was conducted, featuring a total of 22 projects presented by students. The external examiners included Dr. Muralidhar Rao, Principal of St. Mary's College of Pharmacy, Secunderabad, and Dr. Chandrashekar, Principal of Sri Datta College of Pharmacy. The presentations provided students with an opportunity to showcase their research and findings, receiving valuable feedback from the esteemed examiners. The session was a significant step in the students' academic journey, reflecting their hard work and dedication.
- ✓ On June 15, 2024, an elite gathering titled "The Voice of the Earth - Yoga: A Way of Life" was held, featuring presentations by students S. Harini from II Year and D. Chinnari from I Year. The event emphasized the significance of yoga in promoting well-being and environmental awareness. Both students shared insights on how yoga can be integrated into daily life to foster a deeper connection with nature and enhance overall health. The gathering encouraged a holistic approach to wellness and mindfulness, resonating with the theme of environmental consciousness.

- ✓ On June 19th, 2024, the results for the PGECET were published, with 50 students successfully qualifying for further studies. This achievement reflects the hard work and dedication of our students.
- ✓ USA on August 11th, 2024 A.V. Sai Ganesh on his admission to the Department of Pharmacology and Toxicology at the Jacob School of Medicine and Biomedical Sciences, University at Buffalo.
