

SCHOOL OF PHARMACY

GUEST LECTURE

On 18.12.2023, Dr. Dinesh Neradi, a pharmacy expert, held an interactive awareness program for 3rd-year B.Pharmacy students focused on the Graduate Pharmacy Aptitude Test (GPAT). He provided a detailed overview of the exam, its structure, and its importance for pursuing postgraduate programs. Dr. Neradi discussed career opportunities linked to a good GPAT score, shared preparation strategies, and emphasized the value of solving mock tests. The session included a Q&A, allowing students to clarify doubts and gain personalized guidance. Overall, the event motivated students to approach GPAT with confidence and a strategic plan for success.

On 17th November 2023, Global Tress Overseas Education Consultancy held an informative session on studying abroad, covering key topics such as government scholarships, exam requirements, and visa application processes. Mr. Prakash discussed various government schemes and scholarships for international students, while Ms. Navya outlined the exams needed for master's programs, including GRE, GMAT, TOEFL, and IELTS. Mr. Abdul and Ms. Surekha explained the visa application procedures and addressed common challenges. The session provided aspiring students with valuable guidance, helping them navigate the complex process of pursuing education abroad with confidence.

On 14th November 2023, NNRG SOP conducted World Diabetes Day with the theme "Access to Diabetes Care" in a seminar at the School of Pharmacy. Dr. Krishna Mohan Chinnala, a Certified National Diabetic Educator, emphasized the importance of accessible diabetes care for all, addressing holistic care, community engagement, and technological interventions. Dr. G. Janagardhana Raju, a Certified Yoga Trainer, presented on the role of yoga in managing diabetes, focusing on specific asanas, pranayama, and the mind-body connection. The event highlighted the need for increased awareness and collaboration to improve global diabetes care.

On 06.12.2023, the IIC at NNRG organized a Problem Solving & Ideation Workshop to foster innovative thinking and creative problem-solving skills among students. The session was led by Prof. M.L. Sai Kumar, Dean Academics (Retd.), Institute of Public Enterprises, Hyderabad. Prof. Sai Kumar shared valuable insights on structured ideation processes and techniques to approach complex challenges. B.Pharm second-year students Y. Ramya Nagsri and P. Rahul Teja actively participated, engaging in interactive activities that enhanced their ability to generate ideas and solve problems efficiently. The workshop encouraged students to think critically and approach problems with innovative solutions.

Problem Solving and Ideation Workshop

On 07.12.2023, a session titled *Unstoppable: Stress Management & Mental Health* was conducted for B. Pharm third-year students at the Seminar Hall, Ground Floor, School of Pharmacy, NNRG. The session was led by Prof. M.L. Sai Kumar, Dean of Academics (Retd.), Institute of Public Enterprise, Hyderabad. Prof. Sai Kumar shared insights on managing stress effectively and maintaining mental health, emphasizing the importance of resilience in overcoming challenges. He provided practical strategies for handling academic pressures and life stresses, encouraging students to adopt healthier mindsets. The interactive session helped students better understand mental well-being and how to thrive in challenging situations.

SKILL DEVELOPMENT PROGRAMS

On November 18, 2023, a "Campus to Corporate" training session, led by Mr. D. Raghu from the Telangana Academy for Skill and Knowledge, was conducted for fourth-year students to help them transition smoothly into the corporate world. The session focused on professional etiquette, corporate expectations, communication skills, and teamwork. It featured interactive lectures, practical workshops, and guest speakers from various industries. Students participated in activities like resume drafting, mock interviews, and problem-solving tasks. The session received positive feedback, effectively preparing students for their future corporate careers.

From December 1 to 4, 2023, Telangana Academy Skill and Knowledge (TASK) organized a workshop on Medical Coding and Billing at NNRG SOP for 90 final-year students. Led by experts C. Nikhil Chandra and M. Kathik Goud, the workshop covered key concepts and practical skills in medical coding and billing. Students participated in hands-on practice sessions, interactive Q&A, and received personalized guidance. The event concluded with a certification exam, ensuring students were well-prepared for careers in the healthcare industry. The workshop was a success, equipping students with essential industry knowledge.

NATIONAL PHARMACY WEEK

The School of Pharmacy celebrated the 62nd National Pharmacy Week (NPW) from November 20 to 25, 2023, with various events focused on the role of pharmacists in ensuring patient safety. The week was inaugurated by Chief Guest Dr. KRL Anadh Swaroop and featured workshops, seminars, and student activities such as essay writing, elocution, theme painting, and an E-poster presentation. The valedictory ceremony, graced by Dr. Vamshi Madgula, honored

student contributions and competition winners. The event successfully raised awareness of pharmacists' critical role in healthcare and patient safety.

FIELD VISIT

On November 24 and 28, 2023, 90 final-year students from NNRG School of Pharmacy, accompanied by faculty members A. Sahithi, B. Krishna, and S. Rajashekar, visited Sunrise Pharma Pvt Ltd in Hyderabad. The visit provided insights into key pharmaceutical departments, including formulation, quality assurance, quality control, and distribution. Students learned about the formulation process, equipment, FDA guidelines, quality control techniques, and regulatory compliance in pharmaceutical manufacturing. This experience offered valuable practical knowledge of industry operations, quality management, and regulatory frameworks.

On December 15, 2023, 90 final-year students from NNRG School of Pharmacy, accompanied by faculty member S. Rajashekar, visited the Drug Control Administration and Drug Control Laboratory. The visit aimed to provide insights into government testing procedures for pharmaceutical companies and the processes involved in pharmacy shop raids and drug sample collection by inspectors. Students learned about licensing, Good Manufacturing Practices (GMP), and drug testing techniques like chromatography and spectrophotometry. This visit offered valuable knowledge of government regulatory practices and drug quality control, preparing students for their pharmaceutical careers.

On 26.11.2023, a group of students from the School of Pharmacy, NNRG, visited *Kanha Shanti Vanam*, a renowned meditation and spiritual retreat. The visit was guided by A. Suvarna, Associate Professor, with participation from students across different years. The fourth-year student M. Jahnvi and third-year students M. Sai, Afiya Begum, R. Neha, R. Harshitha Yadav, D. Ashwini, and B. Pooja joined the retreat, along with second-year students T. Harini, R. Sada Samobar, and B. Veena. The visit provided an enriching experience, offering insights into the benefits of meditation, mental wellness, and holistic health practices. Students engaged in interactive sessions that emphasized mindfulness and inner peace, enhancing their understanding of well-being beyond academics.

On 14th December 2023, an industrial visit was organised to Progenerics Pharma Pvt. Ltd. for B.Pharm IV Year students. A total of 45 students participated in the visit, accompanied by faculty members B. Krishna and S. Rajashekar. The visit provided valuable insights into the pharmaceutical industry, offering students practical exposure to industrial processes and the functioning of a pharmaceutical company. This experience was instrumental in bridging the gap between academic learning and real-world industry practices.

COCURRICULAR ACTIVITIES

On December 30, 2023, second-year students organized a vibrant Freshers' Day to welcome first-year students at NNRG. The event featured a warm welcome address, interactive ice-breaking games, and the highlight—Ms. Fresher and Mr. Fresher contests, where the newcomers showcased their talents. A fun MS Rose and Mr. Rose competition among seniors added humor, and the day was filled with cultural performances, including music, dance, and drama. The celebration ended with an energetic group dance, bringing both batches together. The event successfully created lasting memories and a sense of community for the new students.

On 08.11.2023, the NSS Unit of Nalla Narasimha Reddy Education Society's Group of Institutions (NNRESGI), in collaboration with Osmania Hospital, organized a *Blood Donation Camp* at the NNRG Auditorium. The event saw enthusiastic participation from B.Pharm students, with 25 students contributing to the noble cause. Medical professionals from Osmania Hospital ensured the camp ran smoothly, conducting health screenings and educating donors on the importance of regular blood donation. The camp successfully raised awareness about the critical need for blood donations in saving lives, fostering a sense of social responsibility among students.

On 11.12.2023, B. Pharm third-year students participated in the live broadcast of "Vikashith Bharath," launched by Prime Minister Narendra Modi. The event, which focused on the vision of a progressive and developed India, highlighted key initiatives aimed at fostering innovation, economic growth, and social development. Students engaged with the live session, gaining insights into national policies and the government's efforts toward building a self-reliant and

prosperous nation. The program inspired the students to contribute positively to the nation's growth and development.

STUDENT ACHIEVEMENT

- ✓ On 12.12.2023, G. Sneha from the B.Pharm 2019-2023 batch was awarded three prestigious Gold Medals for her outstanding academic achievements:
 1. Best Outgoing Student of B.Pharmacy among all JNTU-H affiliated colleges.
 2. Dhadan Endowment Gold Medal for securing the 1st Rank in B.Pharm across JNTU-H affiliated colleges.
 3. Dr. Andra Naidu Endowment Gold Medal for being the Best Outgoing Student from the University and its affiliated colleges.
- ✓ On 23rd December 2023, an Elite Gathering event was held on the topic "Visit Bharath @2047". The session featured a speech by B. Revanth, a student from B.Pharm I Year, who passionately shared his vision for India in 2047.

FACULTY ACHIEVEMENT

- ✓ On 11.12.2023, the *IIC Regional Meet-2023* was held at the Institute of Aeronautical Engineering, Hyderabad. Dr. Krishna Mohan Chinnala, Dean of the School of Pharmacy, NNRG, attended the event.

- ✓ Dr. B. Parijatha's research paper titled "Synthesis and Physicochemical Characterization of Benzimidazole-Sulphonamide Derivatives" was published in the *European Chemical Bulletin* (ISSN: 2063-5346) on 30th December 2023.
- ✓ B. Krishna participated in the Pharmaceutical Education: Trends & Tools (PET-2023) at Sri Venkateshwara College of Pharmacy, Puducherry, from 18.12.2023 to 23.12.2023.
