GRADUATION DAY

On 27.10.2025, NNRG proudly celebrated its first Graduation Day, marking a historic milestone in the institution's academic journey and reflecting its commitment to excellence in higher education. The ceremony honored the successful completion of academic programs by the 2021–25 batch (60 students) and was conducted with great dignity and pride. The event was graced by the Chief Guest, Prof. T. Kishan Kumar Reddy, Vice-Chancellor of Jawaharlal Nehru Technological University Hyderabad (JNTU-H). The program was organized with the dedicated efforts of faculty members, with Ms. N. Aravinda coordinating the Green Room Committee, Dr. S. Rajashekar and Dr. T. Madhuri Latha managing the Registration Committee, and Dr. B. Madhurilatha along with Ms. Sahithi overseeing financial arrangements.

ORIENTATION DAY

On 31.10.2025, the NNRG School of Pharmacy (SOP) successfully organized an Orientation Day for 50 newly admitted students, aiming to familiarize them with the school's academic structure, facilities, and vision. The event was graced by dignitaries including the Vice Chairman, Director, and Deans of SOP, SOE & SOMS, along with faculty members.

The program began with a warm welcome, followed by introductions of the management, principal, faculty, and administrative staff. Students were provided with detailed information about the academic program, examination system, code of conduct, and institutional policies to ensure a smooth transition into professional education.

Faculty members also highlighted the scope of pharmacy education, career opportunities, and the importance of discipline, ethics, and professional responsibility. Additionally, students were informed about safety measures, extracurricular activities, support programs, and the use of labs and library resources, making the orientation an engaging and informative start to their academic journey.

"The Orientation Programme 2025 at NNRG School of Pharmacy warmly welcomed first-year B.Pharmacy students and their parents, marking the beginning of an inspiring academic journey."

SKILL AND STUDENT DEVELOPMENT PROGRAM (SSDP)

From 23.10.2025 to 25.10.2025, a Skill and Student Development Program (SSDP) was conducted for III-year students by the School of Pharmacy (SOP) and Training & Placement Cell (TPC) in association with Telangana Academy for Skill and Knowledge (TASK).

The program featured training sessions by Ms. Himabindu, Trainer, who focused on enhancing students' employability skills, communication abilities, professional attitude, and career readiness. The sessions were designed to bridge the gap between academic learning and industry expectations through interactive and practical approaches.

A total of 70 students participated on 23.10.2025, 84 students on 24.10.2025, and 81 students on 25.10.2025, showing enthusiastic involvement across all three days. The SSDP proved to be highly beneficial in strengthening students' confidence, skill set, and preparedness for future professional opportunities.

"The 21st Century Transferable Skills Programme equipped III B.Pharmacy students with essential professional, communication, and leadership skills for career success."

CLUB ACTIVITIES

WORLD PHARMACIST DAY

On 25.09.2025, Nalla Narasimha Reddy School of Pharmacy celebrated World Pharmacist Day with great enthusiasm, following the global theme "Think Health, Think Pharmacist", to highlight the crucial role of pharmacists in patient care and healthcare systems.

The event began with an opening address by senior faculty, who emphasised the importance of ethical pharmacy practice, public health awareness, and the safe and effective use of medicines. Faculty members also discussed the evolving roles of pharmacists across hospitals, industry, research, and community healthcare, inspiring students to embrace diverse career opportunities.

The celebration included alumni participation, with insights shared by Ms. Mansi Shekar (2013–17), Corporate Placement Manager, TCS, Adibatla, Hyderabad; D. Salman (2020–24), Pharmacist, Apollo Pharmacy, Hayathnagar; and S. Anjali (2020–24), Pharmacist, Malakpet Neuro Centre, Hyderabad, who motivated students by sharing their professional experiences and achievements.

"As part of World Pharmacist Day 2025 celebrations, outstanding alumni students were recognised for their achievements, inspiring excellence and professional growth in pharmacy education."

NATIONAL PHARMACOVIGILANCE WEEK

From 22.09.2025 to 27.09.2025, the National Pharmacovigilance Week was observed at NNRG, under the theme *"Your Safety Just a Click Away: Report to PVPI"*, organized by the Pharmacology Club. The program aimed to raise awareness among students about the importance of drug safety, adverse drug reaction reporting, and the role of the Pharmacovigilance Programme of India (PVPI) in protecting public health. Through interactive sessions, students learned how to identify, report, and prevent adverse drug reactions, strengthening their understanding of pharmacovigilance practices.

"The NPW event brought together students, faculty, and distinguished guests, fostering knowledge sharing, professional development, and a spirit of academic excellence."

cGMP DAY

On 10.10.2025, cGMP Day was observed at Nalla Narasimha Reddy School of Pharmacy, organized by the Pharmacy Club and Pharmaceutics Department for III-year students (72) as part of cGMP Week celebrations. The program aimed to create awareness about Current Good Manufacturing Practices (cGMP), emphasizing their importance in pharmaceutical production, quality assurance, and regulatory compliance.

The academic sessions were delivered by experienced faculty members: Dr. T. Madhurilatha spoke on the introduction and implementation of cGMP guidelines in solid, liquid, and semi-solid dosage forms; Dr. B. Sree Giri Prasad highlighted regulatory aspects and cGMP implementation across dosage forms; Dr. S. Rajashekar explained cGMP practices in liquid dosage forms; and N. Arvinda discussed cGMP implementation in semi-solid dosage forms.

Overall, the cGMP Day Celebrations 2025 significantly enhanced students' understanding of manufacturing procedures, quality standards, and regulatory requirements in the pharmaceutical industry. The program provided valuable industry-oriented insights and reinforced the critical role of cGMP in ensuring drug safety, efficacy, and protection of public health.

“A moment of academic engagement – faculty members leading the way in knowledge, innovation, and student development.”

ALZHEIMER'S DAY

On 22.09.2025, Alzheimer's Day was observed with the theme “Ask about Dementia, Ask about Alzheimer's” to create awareness about neurodegenerative disorders and

their impact on individuals and society. The program was organized by the Pharmacology Club as part of its academic and awareness activities.

The session featured an expert talk by Ms. A. Suvarna, who delivered an informative lecture on the *Pathophysiology of Alzheimer's Disease*. The presentation helped students understand the disease mechanisms, progression, and clinical significance in a clear and engaging manner.

A total of 62 IV-year students actively participated in the program, making the event a meaningful learning experience that enhanced their knowledge and awareness about Alzheimer's disease and dementia.

“World Alzheimer’s Day awareness session promoting knowledge, care, and understanding among students.”

MENTAL HEALTH DAY

On 10.10.2025, World Mental Health Day was observed at Nalla Narasimha Reddy School of Pharmacy with a special program organized for III-year students (72) in the Seminar Hall. The event aimed to raise awareness about mental health, promote psychological well-being, and emphasize the importance of reducing stigma associated with mental health issues.

The session featured an insightful talk by Ms. T. Sunanda, who addressed key aspects of mental health relevant to health science students, including stress management, emotional resilience, self-care, and the importance of seeking help when needed. The program encouraged students to reflect on essential life skills required for maintaining mental and emotional balance in both academic and personal life.

Overall, the Mental Health Day program successfully achieved its objective of fostering awareness, empathy, and understanding of mental health concerns among students. The event reinforced the significance of open discussions on mental well-being and contributed positively to creating a supportive and informed campus environment.

“World Mental Health Day awareness session empowering students on the importance of mental well-being and access to care.”

FIELD VISIT

On 08.10.2025, III-year students (87) of Nalla Narasimha Reddy School of Pharmacy participated in an industrial visit to CSIR–IICT, Hyderabad, organized to provide exposure to advanced research facilities and industrial practices in chemical and pharmaceutical sciences. The visit was guided by faculty members Dr. Y. Vishwanadham and Ms. T. Akhila, offering students insights into research methodologies, laboratory techniques, and industry-relevant processes, thereby enhancing their practical understanding and professional preparedness.

“Field visit and academic exposure activities enhancing practical knowledge and industry readiness among pharmacy students.”

On 26.09.2025, IV-year students (86) of Nalla Narasimha Reddy College of Pharmacy undertook a field visit to CSIR–Centre for Cellular and Molecular Biology (CSIR-CCMB), Hyderabad, organised on the occasion of its Open Day, held as part of CSIR Foundation Day celebrations. The visit was coordinated under the guidance of faculty members Ms. N. Swapna and Ms. A. Sahithi. During the visit, students explored various advanced research laboratories, scientific exhibits, posters, and live demonstrations presented by CCMB scientists and researchers. The exhibits covered areas such as genetic disorders, infectious diseases, molecular diagnostics, cell biology, biotechnology applications, and translational research related to drug discovery and healthcare.

The students were greatly supported and guided by Dr. N. Dinesh, Scientist-B, whose interactions and explanations helped them understand the practical applications of molecular biology tools in disease research, diagnostics, and pharmaceutical development, making the visit a highly enriching and inspiring academic experience

“Field visit and academic exposure activities enhancing practical knowledge and industry readiness among pharmacy students.”

EXTRA CURRICULAR.

HELMET AWARENESS DAY

Helmet Awareness Day was successfully organized by the National Service Scheme (NSS) Unit, in collaboration with the Road Safety Club of NNRG, with the objective of promoting road safety and encouraging two-wheeler riders to wear helmets.

The rally aimed to create awareness about the importance of helmet usage in preventing head injuries and reducing fatalities caused by road accidents. NSS volunteers and Road Safety Club members actively participated by holding banners and posters carrying impactful messages such as “*Drive with care, Helmet to wear – Helmet On, Life On.*”

The awareness program was conducted on and around the NNRG campus and nearby public areas, attracting the attention of students, staff, and the general public. The event effectively conveyed the message of responsible driving and reinforced the significance of helmet use for personal safety.

Helmet Awareness Day at NNRG

Bathukamma Celebrations

On 27.09.2025, Bathukamma Celebrations were joyfully organized by the Women’s Cell and Student Cultural Committee, with enthusiastic participation from students, faculty, and staff, all dressed in vibrant traditional attire that reflected the rich cultural heritage of Telangana.

Students creatively prepared colorful Bathukamma floral arrangements, showcasing their artistic skills and deep connection to local traditions. The celebrations were further enriched with folk songs, group dances, and devotional gatherings, creating a lively and festive atmosphere across the campus.

The event successfully promoted cultural awareness, teamwork, and community bonding among participants. With well-coordinated activities led by the Women’s Cell

and cultural clubs, the celebration ensured active student involvement and strengthened a sense of unity and cultural pride within the institution.

Bathukamma Celebrations at NNRG

TEACHERS DAY

On 04.09.2025, students of Nalla Narasimha Reddy College celebrated Teachers' Day with great enthusiasm, honoring educators through cultural programs, speeches, felicitations, and heartfelt gestures that highlighted their vital role in shaping students' academic and personal growth while strengthening the student-teacher bond.

Teacher Day celebrations at NNRG

FACULTY ACHIEVEMENTS:

On 11.10.2025, Dr. Ch. Krishna Mohan served as a Local Organizing Committee Member for the Golden Jubilee Celebration of the Kakatiya University Pharma Alumni Association (GTC–KUPA)

STUDENT ACHIEVEMENTS:

On 29.10.2025, the NSS unit of NNRG honoured the service and sacrifice of its volunteers at NTR Stadium, Saroornagar, with faculty-in-charge B. Krishna and five IV-year students—K. Sai Kiran, K. Aravind Reddy, B. Usharani, B. Uma, and Y. Bharath Kumar—participating in the commemorative event.

NPTEL:

K. Narayana Patel (Roll No. 227Z1R0042), a student of IV-A, Nanotechnology, secured 56 marks on 25.10.2025.

T. Meghana (Roll No. 227Z1R0097), a student of IV-B, appeared for the course “Spectroscopic Techniques for Pharmaceutical & Biopharmaceutical Industries” on 26.10.2025 and secured 52 marks.
