Ms. P. Supiriya	Student	Co-Editor	Pharmacy

VISION AND MISSION OF THE INSTITUTE

VISION

To be a premier institution ensuring globally competent and ethically strong professionals.

MISSION

1. To provide higher education by refining the traditional methods of teaching to make globally competent professionals.
2. To impart quality education by providing the state-of-the-art infrastructure and innovative research facilities.
3. To practice and promote high standards of professional ethics, transparency, and accountability.

VISION AND MISSION OF THE DEPARTMENT

VISION

- To produce effective global health care professionals with excellent knowledge in Pharmaceutical Sciences to make and serve quality medicines to society.

MISSION

- To impart high-qualification and training in interdisciplinary aspects of Pharmaceutical Sciences.
- Imbibing the knowledge of Pharmacy Practice to serve needy patients in a better way.
- Providing industrial exposure in producing quality medicines through knowledge of research and development.

ABOUT THE SCHOOL:

The School of Pharmacy had emerged in 2009, and amassed an incredible reputation for the provision of high-quality educational services to the graduate and post-graduate students.

We strive hard to impart pharmaceutical skills to our students, by resorting to highly focused, in depth and adaptive coaching. The incredible teaching expertise and state of the art facilities at our school ensure that they are provided with the finest of hands on experience. Our emphasis on maintaining eminently skilled teaching staff and sophisticated infrastructure has led to the overwhelming successes of our students.

The innate skills of our faculty members are evident in the coherent explanation of topics in the classroom, so that the students can interpret and understand the subjects magnificently. Due to this sterling coaching in curricular, co-curricular and extra-curricular activities, our pharmacy students earn perfection in all aspects, which is required for them to propel in their careers.

The special care we take on the upkeep of laboratories, enable them to participate in a wide variety of experiments, which boost their academic performances as well. Due to this impeccable practical experience, they can understand the industrial requirements, and offer highly valuable services to the pharmaceutical firms. The commencement of colossal research activities in the campus, lends its hand in shaping up the students to meet the criteria in the real time conditions.

On the top of providing classroom and practical coaching, we conduct different programs for the skill development of the students. Various skills are required to sustain the strong competition in the market, along with the stellar performance in the academics. Therefore, we organize the respective events for the students, which focus on elevating their communication skills, soft skills, etc. The exclusive coaching for earning jobs in the campus placements is also offered at our institution

Chief Editor's Message

Pharmacy course features a responsible and respectable stand in society, and the requirement of skilled Pharmacists is inevitable, to meet medical needs. We understand the importance of this course and implement futuristic coaching for the evolution of our students into fine professionals. A research-based approach yields formidable results for the talent accession of the students, and we follow it systematically in the academic proceedings. The exceptional knowledge earned due to the involvement in the pharmaceutical experiment, raises the skill level of the students formidably. On the top of imparting pharmaceutical knowledge, we emphasize vivaciously on enlightening the students about their duties towards society. The pharmacy professionals should interpret the medical requirements of the people precisely, and provide the needed medications.

Dr. Chinnala KM

- Well-stocked Library
- Well-furnished classrooms
- Virtual Pharmacy
- Computer Center
- English Communication Lab
- Sprawling campus on 12 Acres with green lawns & Play Grounds.
- Indoor stadium for sports and games.
- Research activities on campus.
- Guidance programs for higher education, GPAT, NIPER, etc
- 100% Placement Assistance.
- Medicinal Plant Garden.
- CCSEA Approved Animal House.
- Dispensary

SKILL DEVELOPMENT PROGRAM

- ✓ A Skill development program was organized by NNRG along with the Telangana Skill Development Program for 99 students of I years from 23.01.2023 to 24.01.2023. The objective of this Skill Certification is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood.

INDUSTRIAL INTERNSHIPS / VISITS / FIELD TRIP

96 Students of B. Pharmacy II year along with the faculty N.Swapna Assistant professor NNRG, attended National Youth Festival organized by R.K math, Hyderabad on 11.01.2023. Modern youth is groping in darkness without direction whatsoever. There is tremendous energy in the youth but it is not properly channelized. Hence they are facing an enormous number of problems both in education and personal life, such as a lack of self-confidence, courage, boldness, fearlessness, patriotism etc. Swami Vivekananda's inspiring message is greatly relevant for our modern youth. He is ideal for youth. Realizing this truth his birthday is celebrated as National Youth Day by the Government of India.

TRAINING AND PLACEMENT DRIVE

- 51 students of IV years attended the placement drive conducted by Strides Organics Private Limited, Hyderabad. The Students N.Ruchitha, P. Suchithra, G.Laxmi Prassana, D.Ravithreni, U.Kiran Kumar Yadav have selected in the drive was organized by NNRG SOP for on 07.01.2023.

- 51 students of IV years, 20 students from other institutes attended the placement drive conducted by the Freyr Global Regulatory solutions and services, Hyderabad was organized by NNRG SOP for on 09.02.2023

- 51 students of IV years attended the placement drive conducted by Neuheit Pahram Technologies Pvt.LTD, Hyderabad, drive was organized by NNRG SOP for on 17.02.2023

FACULTY ACHIEVEMENT

- **AWARDS AND HONOURS**

- ✓ Dr. Krishna Mohan Chinala, Dean SoP has achieved a recognition Certificate as ELISEVIER REVIEWER on 09.0.2023

- **FACULTY DEVELOPMENT PROGRAMMES**

- ✓ Ms. Arvanida Nalla, Assistant Professor, NNRG SOP participated in one week faculty Development Program (Hybrid mode) on Artificial Intelligence Pharmaceutical Research and Drug Development organized by the School of Pharmacy, Anurag University, Hyderabad from 27.02.2023 to 04.03.2023.
- ✓ Ms. Gariganti Swathi, Assistant Professor, NNRG SOP participated in one week faculty Development Program (Hybrid mode) on Artificial Intelligence Pharmaceutical Research and Drug Development, organized by the School of Pharmacy, Anurag University, Hyderabad from 27.02.2023 to 04.03.2023.
- ✓ Ms. G.Ashvitha , Assistant Professor, NNRG SOP participated in one week faculty Development Program (Hybrid mode) on Artificial Intelligence Pharmaceutical Research and Drug Development, organized by the School of Pharmacy, Anurag University, Hyderabad from 27.02.2023 to 04.03.2023.

- **SHORT-TERM COURSES**

- ✓ Dr. Berri Sree Giri prasad, Associate professor, NNRG SOP participated in an Online refresher course on Drug Discovery and Novel Drug development -Analytical Interpretation of Research Data by UGC HRDC,JNTUH , Hyderabad from 13.02.2023 to 27.02.2023
- ✓ Ms. Arvanida Nalla, Assistant Professor, NNRG SOP participated in an Online refresher course on Drug Discovery and Novel Drug development -Analytical Interpretation of Research Data by UGC HRDC,JNTUH, Hyderabad from 13.02.2023 to 27.02.2023

- **PUBLICATION**

- ✓ A.Sahithi published a paper on A review on bioanalytical method development and validation of anticancer drugs by using LC/MS/MS and its applications on routine analysis in Journal of Integral Sciences (JIS) ISSN 2581-5679 Volume6|Issue1, page 4-19|in Feb 2023.
- ✓ A.Sahithi published a paper on RP-HPLC method for analytical method development and validation of multi-kinase inhibitor in Journal of Integral Sciences (JIS) ISSN 2581-5679 Volume6|Issue1, page 20-26 |in Feb 2023.
- ✓ A.Sahithi published a paper on A review on phytosomes as innovative delivery systems for phytochemicals in International Journal of Pharmacognosy and Chemistry ISSN 2581-5679 Volume 4|Issue1, page 1-8|in Feb 2023.
- ✓ A.Sahithi published a paper on A review of analytical techniques for determination of metformin: present and perspectives in International Journal of Health care and Biological Sciences ISSN 2581-5679 Volume4|Issue1, page 18-24|in Feb 2023. **DOI: <https://doi.org/10.46795/ijhcbs.v4i1.417>**
