DEPARTMENT OF CIVIL ENGINEERING

REPORT ON EXHIBITION OF MODELS ON CIVIL ENGINEERING HYDRAULIC STRUCTURES

Date:07-11-2017

Civil Engineering department organized a three day exhibition on civil engineering hydraulic structures from 28th to 30th October 2017. The inaugural function commenced on 28th October 2017, by inviting Dr KRC Reddy, Professor, Civil Engineering Department, CVSR College of Engineering. The Director of the Institution Dr C V Krishna Reddy, Dean, School of Engineering Dr G Janardhana Raju, HoD of Civil Engineering Dept Dr. G. Subba Rao addressed the students regarding the importance of exhibition. Around 30 models of hydraulic structures namely dams, spillways, Aquaduct are displayed by the civil engineering students of NNRES Group of Institutions as well as other institutions.

As per prior instructions given to the students through the posters and oral presentations in the respective colleges, students have made the models accordingly. Most of the models are working models while a few are innovative ones. One of the students of NNRG adopted Archimedes principle for making a model which is attracted by all judges and the civil engg students. Another Model of Gravity Dam also attracted by every one.

During a three days of models exhibition, students of various disciplines from NNRG also visited the exhibition. Clarifications were given by the concerned team members to the students who posed several questions related to hydraulic structures. The Secretary, Shri Nalla Narasimha Reddy also visited the exhibition and appreciated the way the event was organized.

Dr KRC Reddy acted as a Judge on first day by interacting with all the team members who have presented their models in the event.. Also addressed the students about the skills and importance of the event. He appreciated the hard work of civil engg. Students. The guest was honoured with a memento by the Director.

Professor A V Rami Reddy, HoD of Civil Engineering Department, VBIT, Hyderabad acted as a Judge for awarding the marks for the models on the third day of the program. He expressed his happiness with the models which are exhibited in the event and suggested to put more efforts for innovative ideas.. Professor was honoured with a memento by the Director Dr C V Krishna Reddy.

In the Valedictory function, Director Dr C V Krishna Reddy addressed the students about the model exhibition and congratulated Dr G Subba Rao HoD CE Dept for organizing such a great event. Dean DR G Janardhana Raju spoke a few words regarding the event. Dr G Subba Rao, HoD congratulated Mrs P. Kameswari, Co- Convener for her efforts in model exhibition and also the civil engineering faculty for their support in the success of the event.

The exhibition was concluded with the distribution of cash prizes to the top three models and consolation prizes to some of the models by the invitees.
