DEPARTMENT OF CIVIL ENGINEERING
REPORT ON MODEL EXHIBITION ON CIVIL ENGINEERING STRUCTURES

Date: 02-03-2020

Civil Engineering department organized a two day model exhibition on civil engineering structures on 28th to 29th February 2020. The inaugural function commenced on 28th February 2020, by inviting Dr Ram Mohan Reddy, Professor, Civil Engineering Department, JNTUH. The Director of the Institution Dr C V Krishna Reddy, Dean, School of Engineering Dr G Janardhana Raju, and HoD of Civil Engineering Dept Dr. G. Subba Rao addressed the students regarding the importance of exhibition. Around 34 models of namely pre fabricated building, suspension bridges, dams, spillways, Aqueduct are displayed by the civil engineering students of NNRESGI as well as other institutions.

As per prior instructions given to the students through the posters and oral presentations in the respective colleges, students have made the models accordingly. Most of the models are working models while a few are innovative ones. One of the students of NNRESGI used Expanded Polystyrene as material for making a model which is attracted by all judges and the civil Engg students. Another Model of single column building also attracted by everyone.

During two days of models exhibition, students of various disciplines from NNRESGI also visited the exhibition. Clarifications were given by the concerned team members to the students who posed several questions related to structures. The Secretary, Shri Nalla Narasimha Reddy also visited the exhibition and appreciated the way the event was organized.

Dr Ram Mohan Reddy acted as a Judge on first day by interacting with all the team members who have presented their models in the event.. Also addressed the students about the skills and importance of the event. He appreciated the hard work of civil Engineering Students. The guest was honoured with a memento by the Director.

Heads of Civil Engineering Department, of various colleges acted as a Judge for awarding the marks for the models on the second day of the program. They expressed their happiness with the models which are exhibited in the event and suggested to put more efforts for innovative ideas. All the Heads of Civil Engineering Department, of various colleges were honoured with a memento by the Dr G Subba Rao HoD CE Dept .

In the Valedictory function, Director Dr C V Krishna Reddy addressed the students about the model exhibition and congratulated Dr G Subba Rao HoD CE Dept for organizing such a great event. Dean DR G Janardhana Raju spoke a few words regarding the event. Dr G Subba Rao, HoD congratulated Mr Ch. Pavan Kumar, Co- Convener for his efforts in model exhibition and also the civil engineering faculty for their support in the success of the event.

The exhibition was concluded with the distribution of cash prizes to the top three models and consolation prizes to some of the models by the invitees.

Department of Civil Engineering

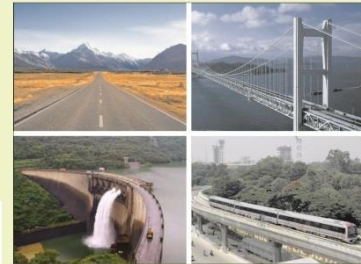

Model Exhibition on

CIVIL ENGINEERING STRUCTURES

on

28th & 29th February, 2020

Registration fee
Rs. 50/-
per candidate

INSTRUCTIONS:

- Open to all civil engineering students
- Weightage will be given to the innovative models
- Raw materials to be used (Plywood/ Foam board/ Thermocol/ Polystyrene)
- Team members should be 4
- Models should be related to civil engineering structures
- Model size should be 75cm x 75cm

Note : Civil Engineering Structures namely Dams, Reservoirs, Buildings, Bridges, Water treatment plants etc.,

For Further Details Contact :

Mr. Ch. Pavan Kumar - Asst. Professor & Co-convenor
