

## DEPARTMENT OF CIVIL ENGINEERING

03/05/2024

### A Report on Guest Lecture on “Municipal Approvals and Pre DCR”

The Department of Civil Engineering had conducted a guest lecture on “Municipal Approvals and Pre DCR” by Mr. Anil Kumar, MD of Ekveera Groups on 02/05/2024 in the Seminar Hall from 10:00 AM to 01:00 PM for II & III Year Civil Engineering Students.

Mr. S. Hemanth Sai, Asst Professor introduced the speaker and briefed about the objectives and outcomes of the program. Mr. Anil Podeti, the speaker has started the session by explaining the basics of civil engineering that every student learns in the B. Tech

In reality, the application of the basics plays a major role in dealing with real time problems for getting accurate solutions. The speaker explained about the TS – Bpass i.e., Telangana Building Permission Approval and Self-Certification System which plays an important role in seeking permissions, approvals from the Government of Telangana for any type of construction.

The speaker explained about the Pre DCR in detail by showing a demo in presentation. A few students asked queries for which the speaker answered them accordingly. 35 Students are present for the session. The speaker was felicitated with a memento by Mr. Y. Srinivas, HoD & Dr. G.S Rao, Professor. The program ended up at 01:00 PM by vote of thanks.
