Expert talks by environmentalists

Dr. G.SUBBA RAO, PROFESSOR-CE Addressing the gathering

Mr. SATHISH, Asst.Prof-CE & Mr. M.NARESH, Asst.Prof-CE addressed the gathering about the importance of environment and its significance in mankind. we added that it is the responsibility of everyone on the earth in protecting environment

Mr. SATHISH, Asst.Prof-CE Addressing the gathering

Mr. M.NARESH, Asst.Prof-CE Addressing the gathering

A few students also expressed their views on the environment day by sharing their thoughts on how well we can protect the environment in the present situation. Every individual's responsibility shall play a vital role in protecting environment. One of the student had given a live example on the environmental impact on the nature. The sparrows are becoming a rare species due to the bad environment. A total of 70 students attended the program.

"The Earth is what we all have in common—let's protect it together."

The program ended up at 3.45 PM by vote of thanks.
