Activity: Report on Industrial visit to Infosys

Report on Industrial Visit to Infosys

As per the schedule in the Department Academic plan, II CSE students have attended an Industrial Visit to Infosys on 20-09-2019. Total 98 students and three faculty members accompanied and facilitated the students during the visit.

The Associate Consultant Ms. Bhavna Bhardwaj of Infosys conducted very informative session for the students. She gave a brief introduction of Infosys and different department in the Infosys to the students. Also she motivated the students to select their domain and area of interest. She also guided the students to concentrate the areas like, Block chaining, Machine learning and develop coding skills which are essential in the current software market.
The session was concluded with Question- Answer session. Many of the students asked different questions the Associate Consultant on current demanding technologies, market scenarios and she cleared all the doubt which was in students mind about the technologies and IT sector.

Student Feedback:

The students experience was very good at Infosys with cooperative coordinator. Most of the students expected the work flow in industry will be demonstrated and suggested such kind of domain specific industrial visits are to be arranged more for the subsequent batches. Students learned the current market scenarios, latest technologies, criteria for selection in the placements, best practices in the Infosys to carry out the project.
