# DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

## Alumni Meet Report – 2025

Nalla Narasimha Reddy Education Society's Group of Institutions (NNRESGI) organized the *Alumni Meet – 2025* on 26th April 2025 to cherish memories and foster interaction with the alumni, continuing the proud tradition of the institute. Registrations began at 10:00 AM at the reception. A total of **36 alumni** attended the event, where they met with the department faculty, shared their valuable experiences, and guided the current students regarding the opportunities and career paths available after completing B.Tech.

The alumni had an interactive session with the 3rd-year and 4th-year Computer Science and Engineering students. Later, **Dr. K. Rameshwaraiah,** Head of the Department, Computer Science and Engineering, addressed the alumni and students. **Dr. A. Prashanthi and Ms. S. Radhika**, Alumni Coordinators, formally welcomed the alumni and arranged refreshments for them.

# During the interaction

- **Mr. M. Uday Kumar** (Batch 2009–24) also serving as the Alumni Vice President, contributing actively to strengthening the alumni network and supporting current students. He discussed his successful placement journey and expressed his gratitude to NNRG for providing numerous opportunities to hardworking students. He thanked the HoD, professors, faculty, and technicians for their constant support. He also highlighted how participating in coding activities and college events strengthened his skills and boosted his confidence. He is currently working as a Consultant at Capgemini, Hyderabad

- **Mr. Siddharath** (Batch 2020-2024) discussed about the importance of being an alumni and what it truly means. He explained that being an alumnus isn't just about having graduated; it's about being a part of a lifelong network that supports each other's growth and success. He shared how alumni can contribute to the development of the institution by mentoring current students and staying connected with their alma mater, creating a legacy of knowledge and opportunities.

- **Mr. Saicharan** (Batch 2011–24) discussed his successful placement journey and expressed gratitude towards NNRG for providing numerous opportunities to hardworking students. He extended his heartfelt thanks to the HOD, professors, faculty

and technicians for their constant support and guidance. He is currently working as a DevOps Engineer at Zooz Studios Media, London.

- **Mr. Praveen** (Batch 2018-2022) shared his inspiring journey, mentioning that he attended 25 interviews before securing his placement. He emphasized the importance of perseverance and urged students not to step back in the face of challenges. His message was clear — every setback is a setup for a stronger comeback and consistent effort will always lead to success.

- **Mr. Sudhamsh** (Batch 2019-2023) discussed his successful placement journey and expressed his gratitude to NNRG for providing numerous opportunities to hardworking students. He thanked the HoD, professors, faculty, and technicians for their constant support. He shared how participating in coding events, academic activities, and presentations helped him overcome stage fear and improve his overall performance

- **Ms. Kavitha** (Batch 2020-2024) discussed the importance of securing a placement during college and shared valuable insights on the leadership qualities required to succeed. He emphasized that leadership isn't just about managing teams but also about taking initiative, being accountable, and making decisions under pressure. He encouraged

students to develop these traits early on to enhance their employability and succeed in the professional world.
