## DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

**Academic Year: 2023-2024**

**Activity:** Report on Industrial visit to Infosys                    **Date: 12-10-2023**

## Report on Industrial Visit to Infosys

As per the schedule in the Department Academic plan, III CSE students attended an Industrial Visit to Infosys on 10-10-2023. A total of 103 students and four faculty members accompanied and facilitated the students during the visit.
The Associate Consultant of Infosys conducted a very informative session for the students. She gave a brief introduction to Infosys and the different departments in Infosys to the students. Also, she motivated the students to select their domain and area of interest. She also guided the students to concentrate on the latest technologies like Machine learning, and IOT to develop coding skills which are essential in the current software market.

The session was concluded with a question-answer session. Many of the students asked different questions from the Associate Consultant on current demanding technologies and market scenarios and she cleared all the doubt which was in the student's mind about the technologies and IT sector.

**Student Feedback:**

The student's experience was very good at Infosys with the cooperative coordinator. Most of the students expected the workflow in industry will be demonstrated and suggested such kind of domain-specific industrial visits be arranged more for the subsequent batches. Students learned the current market scenarios, latest technologies, criteria for selection in the placements, and best practices in the Infosys to carry out the project.
