

Academic Year: 2019-20

Activity: Guest lecture on "Object Oriented Concepts through JAVA"      Date: 04-10-2019

### Consolidated Report and Outcomes of Guest Lecture

As per the schedule in Department Academic Plan, a guest lecture on "Object Oriented Concepts through JAVA" was conducted on 04-10-2019 for IICSE students. The resource person is Mr. Mr. K. Praveen Kumar, Technology Head, DES Pvt., Ltd. Hyderabad. The following topics were covered during the session

- What is OOP and POP?
- Datatypes
- Inheritance
- Overloading and Overriding
- Exception Handling
- Multithreading

#### **OUTCOME:**

Students can carry out this knowledge to excel in the semester exam and also had come to know the importance of OOP over POP.

#### **STUDENTS FEEDBACK:**

The speaker has good knowledge on topic with good communication skills. He explained every concept from basic to pro level. He gave good exposure on hurdles that penetrate in solving real time problem like selection of programming language, strategies to be followed etc. Overall the session was extremely interesting for the students and they got an opportunity to hear and learn industry practices.
