

**SCHOOL OF ENGINEERING**  
**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING – DATA SCIENCE**

**Consolidated Report and Outcome of the Activity**

**Objective:** To enhance the problem – solving skills among students in creative and critical Thinking.

**Outcome:** To gain sufficient knowledge on different phases in Design Thinking.

Department of Data Science organized a workshop for the IV DS & III DS students on the topic “**Design Thinking**” on 05.01.2026. The guest lecture was delivered by Prof M.L. Sai Kumar, former Dean of Academics, Institute of Public Enterprise, Hyderabad.

Dr C V Krishna Reddy, director NNRESGI also explained the importance of such events and encouraged the students to participate in more events to enhance logical programming design and testing skills an of the students enormously, also remembered the relationship between him and there source person Prof M.L Sai Kumar, prof V Indrani Head of the Data Science department addressed the gathering encouraged students to take part and expected active participation in the session and also explained how session will be useful, Dr G Janardhana Raju, Dean School of Engineering and IIC Convener Dr N. Ravi Shankar addressed the importance of the session.

Resource person Prof M.L. Sai Kumar started the session with a questionnaire session by dividing students into groups, and also told them that the IT industry is a very competitive world. Today, he basically told how the interview process goes and how students should focus on it. He provided an insight into the topic of Design thinking and explained the 5 phases, like Empathize, Define, Ideate, Prototype, and explained about creative thinking and critical thinking.

The session was very interactive as students also participated with enthusiasm. Overall, it proved to be a two-way interaction in which students were very comfortable with the speaker and asked their queries without hesitation. The speaker answered all the queries. He encouraged the students to focus on academics .He conducted a Quiz, and a student named Sai Satwik III, year B section, won the cash Prize.

The Lecture was attended by 180 of III & IV year of B.TECH DS students.
