The NSS Unit and Road Safety Club of Nalla Narasimha Reddy Education Society's Group of Institutions (NNRG), Integrated Campus, organised a Helmet Awareness Rally on the college premises. The programme was conducted with the objective of educating students and the public about the importance of wearing helmets for safe driving.

The event began with an introductory session highlighting road safety rules and the life-saving role of helmets. Faculty members, NSS volunteers, and students actively participated in the rally. Carrying placards and raising slogans, they spread the message "Drive with Care, Helmet to wear" and "Helmet On, Life On."

Participants also stressed the need for responsible driving, adherence to traffic rules, and protection from head injuries. The rally created awareness among motorists in and around the campus, emphasizing that helmets are not just a legal requirement but an essential safety measure.

The programme was successfully carried out under the guidance of the NSS coordinators and the Road Safety Club, receiving positive response from students and the community. The event concluded with a pledge to follow traffic rules and promote road safety at all times.
