MODEL UNITED NATIONS-2026 REPORT

16 MARCH 2026

NNRG MUN 2026 Successfully Conducted at NNRG Group of Institutions

Nalla Narasimha Reddy Education Society's Group of Institutions successfully organized NNRG MUN 2026 (Model United Nations) on March 12 and 13, 2026 at its integrated campus. The Two day MUN was inaugurated by Dr. G.Janardhana Raju , Dean SoE and Dr.E.Chandra Shekar HoD H&S. The two-day academic event brought together enthusiastic students to engage in meaningful discussions on global and national issues while developing leadership, diplomacy, and public speaking skills.

The event featured four committees that simulated real-world decision-making platforms: United Nations General Assembly Second Committee (DISEC), All India Political Parties Meet (AIPPM), United Nations Human Rights Council (UNHRC), and the Telangana Legislative Assembly (TLA). Students participated as delegates representing different countries and political leaders, engaging in debates, negotiations, and drafting resolutions on contemporary issues. 180 Internal students and 50 students from various engineering colleges in Hyderabad have participated.

The conference aimed to enhance students' awareness of international relations, governance, and human rights while encouraging critical thinking and collaborative problem-solving. Delegates actively deliberated on important agendas, presenting well-researched arguments and diplomatic solutions. The sessions were moderated by experienced executive board members who guided the proceedings and ensured productive discussions.

The organizers expressed their gratitude to the management of Nalla Narasimha Reddy Education Society's Group of Institutions, faculty coordinators, student volunteers, and delegates for making NNRG MUN 2026 a grand success. The conference concluded with a valedictory session where outstanding delegates were recognized for their exceptional performance in various committees.

The successful conduct of NNRG MUN 2026 once again highlighted the institution's commitment to providing experiential learning opportunities that prepare students to become responsible global citizens.
