

REPORT ON NATIONAL MATHEMATICS DAY – 2025

The Department of Mathematics successfully organized National Mathematics Day–2025 on 22nd December 2025 to commemorate the birth anniversary of the great mathematician Sri Srinivasa Ramanujan. The event was conducted with great enthusiasm and academic spirit, highlighting the importance and applications of mathematics in modern science and technology.

Inaugural Ceremony:

The program commenced with an inaugural ceremony, which was graced by the presence of the. Dr. C.V. Krishna Reddy, Director, Dr. E. Chandra sheker, HOD H&S ,Heads of all Departments and esteemed faculty members The dignitaries addressed the gathering and emphasized the role of mathematics as the foundation of engineering, data science, artificial intelligence, and technological innovation. Their encouraging words motivated students to explore mathematics beyond textbooks and apply it creatively.

Poster Presentation Competition:

As part of the celebrations, a Poster Presentation Competition was conducted. A total of 93 teams consisting of two members in each, actively participated and demonstrating their knowledge, creativity, and analytical skills on various mathematical concepts and applications.

- The competition was conducted in two halls: DH-1(Room no:F-33) and DH-2(Room no:S-31)
- Students presented posters covering applied mathematics, real-life applications, computational methods, and emerging trends
- The event witnessed active participation and healthy competition among the students

Judging Panel:

The posters were evaluated by an esteemed panel of judges:

- Dr. G. Sravan Kumar, Head of the AIML Department
- Dr.V.Indrani, Head of the Data Science Department

The judges assessed the presentations based on content relevance, conceptual clarity, innovation, presentation skills, and practical application.

Prize Distribution:

Based on the judges' evaluation, Winners and Runners-up were selected separately for DH-1 and DH-2. The prize distribution ceremony was conducted successfully, and prizes were awarded to the deserving teams in recognition of their outstanding performance.

Conclusion:

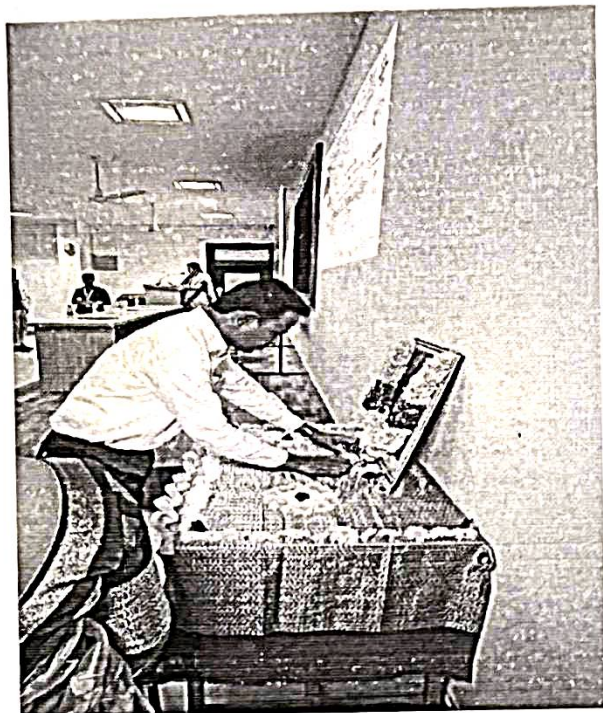

The celebration of National Mathematics Day-2025 was a grand success. The event provided a valuable platform for students to showcase their mathematical understanding and creativity. The active involvement of students, faculty members, management, and dignitaries made the program meaningful and memorable. The Department of Mathematics extends its sincere gratitude to the management, Director, Dean, Heads of Departments, judges, faculty members, and students for their wholehearted support and cooperation in making this event a success.
