## **A Report on “National Science Day”**

The Department of Humanities and Sciences organized the industrial visit on 28<sup>th</sup> February, 2024 on the occasion of “National Science Day”.

The main objective of the industrial visit is to provide students with practical exposure to scientific concepts and technologies employed in industrial settings, fostering a deeper understanding of their academic studies and potential career paths.

A group of 45 students and 05 faculty members embarked on an industrial visit to CSIR-IICT, TARNAKA.

In this visit we visited many laboratories like NATIONAL SEMIO CHEMICALS, SPHERIC WATER GENERATOR, NATIONAL MOL BANK, WASTE TO ENERGY {bio gas}, WATER BOTTLING PLANT ETC.

AS a part of science day celebration valedictory is conducted in the ground floor conference hall. The students shared their experiences about the industrial visit.

Dr. E. Chandra Shekar, Head of the Department, H&S addressed the gathering on this occasion. It was conducted successfully with the support of Physics and Chemistry faculty.
