

Report of Orientation Programme 2024

CSE on 19 August 2024

CSE (AI&ML) & CSE (DS) on 20 August 2024

ECE & Civil on 21 August 2024

Nalla Narasimha Reddy Education Society's Group of Institutions, School of Engineering organized an Orientation Program for the Students & Parents of First Year B.Tech **CSE on 19 August 2024, CSE (AI&ML) & CSE (DS) on 20 August 2024 and ECE & Civil on 21 August 2024 in the Auditorium (3rd floor).**

Dr.I.Sirisha, Professor of English welcomed all the dignitaries on the dais, Director, Mr.Nalla Prashanth Reddy, Vice-Chairman, NNNRG, Dean, School of Engineering, HoD H&S Dept., and concerned HoDs on the respective dates.

The programme was formally inaugurated by the lighting of the lamp by the dignitaries and an invocation song by the students.

The Director, Dr.C.V.Krishna Reddy, extended his warm welcome to all the dignitaries on the dais, Faculty, Parents and students to the programme. He congratulated all the parents for choosing NNRG. The Director said that NNRG is an Integrated Campus established during the year 2009 in 16 Acres of beautiful green campus with a Vision to be a premier institution ensuring globally competent and ethically strong students, and Mission to provide higher education by refining the traditional methods of teaching to make globally competent professionals.

The Director addressing the gathering

The Student Hand Books for B.Tech 1st Year (2024-25) has been released.

The Mementos were distributed to the 1st Year Academic Toppers 2023-24.

Dr. G. Janardhana Raju, Dean of the School of Engineering, addressed the students and parents. He informed them that the college's ecosystem meets the requirements of the industry. The college has various Cells such as EDC, IIC, and IIC to encourage students towards entrepreneurship. The aim is to also encourage faculty to be better prepared to train the students and to emphasize the development of strong links with the industry to promote various industrial activities by the faculty members and students.

Dean SoE addressing the gathering

Dr. K. Rameshwaraiah, Head of the CSE Department, congratulated all the students who have chosen to pursue 4-year studies in NNRG. He emphasized the importance of Computer

Science and Engineering to the students and parents. He urged parents to monitor their child's progress during the 4 years of study and encouraged students to set goals for their future, whether it be employment, higher education, or starting a business. Dr. Rameshwaraiah highlighted the three essential aspects for success at NNRG: discipline, determination, and dedication, emphasizing the need for critical thinking, creativity, collaboration, and communication. Lastly, he advised students to dream big, work hard, and strive to achieve their goals

Dr. K. Rameshwaraiah, Head of the CSE Department addressing the gathering

.On August 21, 2024, Dr. B. Ravi, Head of the ECE Department, addressed the first-year B.Tech ECE students and their parents about the significance of the ECE branch. He emphasized that the department boasts spacious laboratories and state-of-the-art equipment. Dr. Ravi highlighted that ECE students have the flexibility to work in either hardware or software domains. He also discussed the abundant opportunities in government sectors such as ISRO, defense laboratories, and other public organizations, in addition to the IT sector. Dr. Ravi mentioned that software is accessible to everyone, and emphasized the department's available facilities and the presence of 10 Ph.D. scholars. Furthermore, he noted that over 80% of the B.Tech (ECE) students have secured placements in hardware companies, and emphasized the increasing demand for ECE students in the near future.

Dr. B. Ravi, Head of the ECE Department addressing the gathering

On August 21, 2024, Professor Y. Srinivas, Head of the Civil Engineering Department, addressed the first-year Civil Engineering students and their parents. He spoke about the department's focus on the design, construction, and maintenance of the physical and naturally built environment, including roads, bridges, canals, dams, and buildings. The department specializes in areas such as Structural Engineering and Water Resource Engineering. Professor Srinivas also highlighted the potential for B.Tech (Civil) Engineering students to secure good placements in both the government and private sectors.

Professor Y. Srinivas, Head of the Civil Engineering Department addressing the gathering

Dr. E. Chandrasekhar, Head of the H&S Department and in charge of the B.Tech 1st Year program, explained the Academic Regulations (R22), B.Tech Programme Structure, Semester Scheme, Credit Courses, Course Registration, Attendance Requirements, Academic Requirements, Promotion Rules, Evaluation – Distribution and Weightage of marks, Grading procedure, Detention, and facilities available on campus such as the Canteen, Computer Centre, Digital Library, and Dispensary. He also discussed the activities conducted in the College such as Annual Day and Tech Samprathi every year. Additionally, he emphasized the importance of attending labs, keeping a record of Biometric Attendance, and updating attendance in the ERP portal. He informed that a WhatsApp group would be created for sharing information, and requested parents to attend Parents Meeting and respond to messages sent to them.

Dr. E. Chandrasekhar, Head of the H&S Department addressing the gathering

The programme was concluded on all the three days by 1.45 PM with a vote of thanks proposed by Ms.Jisha Cletus Joseph, Asst. Professor (English) and followed by National Anthem.

The Lunch was provided to all B.Tech First Year students, parents and staff on all three days.
