HUMANITIES & SCIENCES

VISION

To foster the excellence of analytical, critical, and speculative approaches of the physical sciences and English to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

MISSION

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, and Mathematics, Physics, Chemistry, and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

SALIENT FEATURES

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality and creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry, and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology, and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem-solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to prepare students for the modern job scenario.

The Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA, and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

Orientation Programme 2025

Nalla Narasimha Reddy Education Society's Group of Institutions, School of Engineering organized Orientation Programmme for the Students & Parents of First Year B.Tech CSE on 18 August 2025, CSE (AI&ML) & CSE (DS) on 19 August 2025 and ECE & Civil on 20August 2025 in the college Auditorium (3rd floor).

Dr.I.Sirisha, Professor of English welcomed all the dignitaries on the dais, Director, Mr.Nalla Prashanth Reddy, Vice-Chairman, NNNRG, Dean, School of Engineering, HoD H&S Dept., and concerned HoDs on the respective dates.

The programme was formally inaugurated by the lighting of the lamp by the dignitaries and an invocation song by the students

The Director, Dr.C.V.Krishna Reddy, extended his warm welcome to all the dignitaries on the dais, Faculty, Parents and students to the programme. He congratulated all the parents for choosing NNRG. The Director said that NNRG is an Integrated Campus established

during the year 2009 in 16 Acres of beautiful green campus with a Vision to be a premier institution ensuring globally competent and ethically strong students, and Mission to provide higher education by refining the traditional methods of teaching to make globally competent professionals.

The Director addressing the gathering

The Mementos were distributed to the 1 Year Academic Toppers 2024-25.

Dr. G. Janardhana Raju, Dean of the School of Engineering, addressed the students and parents. He informed them that the college's ecosystem meets the requirements of the industry. The college has various Cells such as EDC, IIIC, and IIC to encourage students towards entrepreneurship. The aim is to also encourage faculty to be better prepared to train the students and to emphasize the development of strong links with the industry to promote various industrial activities by the faculty members and students.

Dean SoE addressing the gathering

Dr. K. Rameshwaraiah, Head of the CSE Department, congratulated all the students who have chosen to pursue 4-year studies in NNRG. He emphasized the importance of Computer Science and Engineering to the students and parents. He urged parents to monitor their child's

progress during the 4 years of study and encouraged students to set goals for their future, whether it is employment, higher education, or starting a business. Dr. Rameshwaraiah highlighted the three essential aspects for success at NNRG: discipline, determination, and dedication, emphasizing the need for critical thinking, creativity, collaboration, and communication. Lastly, he advised students to dream big, work hard, and strive to achieve their goals

Dr. K. Rameshwaraiah, Head of the CSE Department addressing the gathering

On 19 August the Orientation programme was organised for CSE (AI&ML) and CSE (DS). Dr Sravan Kumar, HoD, CSE (AI&ML) spoke to the new students about the prospects of the stream. Prof. V Indrani, HoD, CSE(DS) also addressed the students.

Dr Sravan Kumar, HoD, CSE (AI&ML) and Prof. V Indrani, HoD, CSE (DS) addressing the students and parents

On August 20, 2025, Dr. B. Ravi, Head of the ECE Department, addressed the first-year B.Tech ECE students and their parents about the significance of the ECE branch. He emphasized that the department has spacious laboratories and state-of-the-art equipment. Dr. Ravi highlighted that ECE students have the flexibility to work in either hardware or software domains. He also discussed the abundant opportunities in government sectors such as ISRO, defence laboratories, and other public organizations, in addition to the IT sector. Dr. Ravi mentioned that software is accessible to everyone, and emphasized the department's available facilities and the presence of 10 Ph.D. scholars. Furthermore, he noted that over 80% of the B.Tech (ECE) students have secured placements in hardware companies, and emphasized the increasing demand for ECE students in the near future.

Dr. B. Ravi, Head of the ECE Department addressing the gathering

On August 20, 2025, Dr G Subba Rao, Head of the Civil Engineering Department, addressed the first-year Civil Engineering students and their parents. He spoke about the department's focus on the design, construction, and maintenance of the physical and naturally built environment, including roads, bridges, canals, dams, and buildings. The department specializes in areas such as Structural Engineering and Water Resource Engineering. Professor Srinivas also highlighted the potential for B.Tech (Civil) Engineering students to secure good placements in both the government and private sectors.

Dr G Subba Rao, Head of the Civil Engineering Department addressing the gathering

Dr. E. Chandra Shekar, Head of the H&S Department and in charge of the B.Tech 1st Year programme, explained the Academic Regulations (R25), B.Tech Programme Structure, Semester Scheme, Credit Courses, Course Registration, Attendance Requirements, Academic Requirements, Promotion Rules, Evaluation – Distribution and Weightage of marks, Grading procedure, Detention, and facilities available on campus such as the Canteen, Computer Centre, Digital Library, and Dispensary. He also discussed the activities conducted in the College such as Annual Day and Tech Samprathi every year. Additionally, he emphasized the importance of attending labs, keeping a record of Biometric Attendance, and updating attendance in the ERP portal. He informed that a WhatsApp group would be created for sharing information, and requested parents to attend Parents Meeting and respond to messages sent to them.

Dr. E. Chandra Shekar, Head of the H&S Department, addressing the gathering

The programme was concluded on all the three days by 2.00 PM with a vote of thanks proposed by Ms.Jisha Cletus Joseph, Asst. Professor (English) on the first day, Ms V Anuradha, Asst. Professor (English) on the second day and Ms Y Rajya Laxmi, Asst. Professor (English) on the third day and followed by National Anthem.

The Lunch was provided to all B.Tech FirstYear students, parents and staff on all three days.

Independence Day

The Independence Day celebrations at Nalla Narasimha Reddy Group of Institutions (NNRG) were held on 15 August 2025 with great enthusiasm and patriotic spirit. The entire campus was decorated with tricolour flag creating a festive atmosphere. The programme began at 9:30 a.m. with the welcome address by Dr.I Sirisha, Prof. of English, the hoisting of the National Flag by the Director and Vice Chairman, followed by the rendering of the National Anthem by the students and staff. In his address, the Director highlighted the significance of the day and reminded everyone of the sacrifices made by freedom fighters. He also encouraged students to uphold the values of unity, discipline, and responsibility. Students presented patriotic songs and speeches. The event concluded with a vote of thanks by Ms V Anuradha, Asst Prof of English who expressed gratitude to the management, faculty, and volunteers for making the celebration successful and memorable. Overall, the Independence Day 2025 celebrations at NNRG were conducted with dignity and patriotic fervour, instilling a sense of pride and responsibility in all participants.

Independence Day celebrations

Bathukamma Celebrations

On, NNRG celebrated **Bathukamma**, the traditional floral festival of Telangana, with great enthusiasm and cultural fervour. The event was organized by the **Women's Cell** in collaboration with the **Art & Cultural Committee** of the institute, and it brought together students, faculty, and staff to celebrate the rich cultural heritage of the region. Bathukamma,

which marks the beginning of the nine-day festival of **Dasara**, is a celebration of nature, femininity, and the bounty of flowers, making it a significant occasion for the community. The Women's Cell and the Art & Cultural Committee decided to bring the Bathukamma festival to the NNRG campus, allowing students and staff to experience the cultural and spiritual significance of the occasion.

Glimpses of Bathukamma celebrations

Awareness programme by Women Cell

The School of Engineering – Women Cell, in association with IIC & IIIC, NNRG, organized an awareness program for First Year students on “**Empowering Girls through Personality Development & Health Hygiene**” on **12th September 2025** at Nalla Narasimha Reddy Group of Institutions (NNRG) Integrated Campus. The program was conducted under the Youth Wellness Campaign – Right Side Story of P&G. The session was led by **Ms. Nandini**, Physiotherapist, Psychologist, and Youth Wellness Trainer.

During the program, the resource person addressed important aspects of personality development, self-confidence, emotional well-being, and personal health hygiene. The session emphasized the importance of positive self-image, stress management, healthy lifestyle choices, and menstrual hygiene awareness among young women.

The interaction was informative and engaging, enabling students to openly share their doubts and gain practical guidance for personal and professional growth. The program successfully created awareness about physical and mental well-being while motivating students to develop a confident and healthy approach towards life.

The session concluded with positive feedback from the participants, making the program meaningful and impactful.
