HUMANITIES & SCIENCES

VISION

To foster the excellence of analytical, critical and speculative approaches of the physical sciences and English so as to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

MISSION

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, Mathematics, Physics, Chemistry and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

SALIENT FEATURES:

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality, creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to make students ready for the modern job scenario.

Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

ORIENTATION DAY:

The inauguration of the Induction Programme for I B.Tech students of Nalla Narasimha Reddy Education Society's Group of Institutions was conducted on 03 November 2022. Around 600 students along with their parents attended the programme. **Sri Yandamuri Veerendranath** a celebrated novelist and screenwriter known for his works in Telugu and who has won State Sahitya Academy Award was invited as the Chief Guest. He influences younger generations with his socially relevant writings and youtube videos. Sri Srikanth Surampudi, General Manager HR & Regional HR Head Hyderabad – CMT ISU HR Head was the Guest of Honour.

The programme started with a Welcome Dance by the students and followed by Welcome Speech by Dr. I. Sirisha, Professor of English. The programme was formally inaugurated by lighting of the lamp by the dignitaries and followed by the Invocation song.

Director's Address

The Director Dr.C.V.Krishna Reddy extended a warm welcome to all the dignitaries on the dais, Faculty, Parents and Students. He congratulated all the parents for choosing NNRG for their wards. Director gave a formal introduction about the institution..He also conveyed his deep appreciation to the Management for providing excellent infrastructure facilities with an excellent team of experienced and dedicated faculty with whom the institution is achieving its academic heights year by year. He requested all the parents that it is their ultimate responsibility to see that their wards attend the college regularly and they must also visit the college frequently to know about the academic record of their wards. Before concluding his speech, he advised all the students to inculcate good qualities from the first year itself to maintain good discipline, good behavior and take the academics seriously and strive hard to get good percentage in all the four years to attain their ambition and goal.

Chief Guest's Address

Sri Yandamuri Veerendranath a celebrated novelist and screenwriter known for his works in Telugu and who has won State Sahitya Academy Award was invited as the Chief Guest. He influences younger generations with his socially relevant writings and youtube videos. He

emphasized about the importance of self discipline in an individual's life. He spoke about human values and hard work. He motivated and inspired the students in an endearing manner.

Sri Srikanth Surampudi, General Manager HR & Regional HR Head Hyderabad – CMT ISU HR Head was the Guest of Honour. He emphasized the significance of being eager to learn something each day. He highlighted the role of aspects such as novel learning, aspiration, ambition, situational leadership, attitude towards life. He also encouraged students to create their social profile on platforms such as LinkedIn and be involved in blogging, learning skills at Udemy, etc.

The Dean, SoE, Dr G Janardhana Raju spoke on the importance of fitness and health and how to be focused in order to achieve anything we desire in life. He explained how having academic and personal goals is key to being successful.

Dr E Chandra Shekar, HoD – Humanities and Sciences, gave a detailed description of the new curriculum and the R22 regulations in order to familiarize the students as well as the parents so as to avoid any confusion about the same. He explained how the credit system works according to the new education policy. He informed them about the various committees and clubs in the institute which aim at enhancing the overall development and the security of the students.

Dr K. Rameshwaraiyah, HoD – CSE, addressed the gathering speaking about the job opportunities in the field of computers, Artificial Intelligence and Machine Learning, Data Science and the need for the students to keep themselves abreast with the developments in these areas.

Release of Handbook 2022-23

The Handbook for the I Year students was released by the Chief Guest on the Orientation Day. The toppers of the previous year's First semester were awarded prizes in order to acknowledge their excellence in academics and also to motivate the freshers and other students to study well.

Special sessions conducted as part of Induction programme

Dr G Janardhana Raju, Dean – SoE addressed the students **on 7 November 2022**. The Dean spoke about the importance of meditation and habit formation. He emphasized about the significance of physical fitness and stress management.

Dr G Janardhana Raju, Dean – SoE addressing the students

Dr. K. Rameshwaraiyah, HoD, CSE addressed the I CSE, IT and AI&ML students on 7 November 2022 from 10:15am to 11:25am in the III floor Seminar hall. He advised the students to work hard and set effective academic goals. Students should have to inculcate proper planning from day one itself.

Dr. K. Rameshwaraiyah, HoD, CSE addressing the students

Dr E Chander Shekar, HoD, H&S addressed the students and explained about the aims and objectives of the Department and introduced the First year teaching fraternity. Dr Chander Shekar reiterated R 22 regulations and informed students about the new credit system introduced. He also spoke about discipline, punctuality and the importance of attendance to pass the I B Tech examination.

Dr E Chander Shekar, HoD, H&S addressing students

English Proficiency Module: 9 November 2022

There was a post lunch session by **Dr Maria Justina Grey**, Associate Professor of English, H&S on the importance of English language and communication. She spoke about interpersonal communication skills and their role in grooming them into globally competent professionals. Dr Maria also stressed on common errors in English pronunciation and grammar which the students need to work on in order to be better communicators.

Dr Maria Justina Grey, Associate Professor of English, H&S addressing students

Dr S Ravi Chand, HoD, ECE addressed the I ECE students from 2:30pm to 4pm on 12 November 2022. He spoke about the prospects of Electronics and Communications Engineering. He alerted them about research and innovation in the field of Electronics and communication Engineering. He noted that every student should have hands on experience on what they learn in the classroom.

Dr S Ravi Chand, HoD, ECE addressing students

Guest Lecture by Mr Mushtaq Mohammed, a motivational trainer

As part of the Induction programme for the First Year students of 2022-23 batch, a guest lecture by Mr Mushtaq Mohammed, a motivational trainer, was delivered on 16 November 2022 in the 3rd Floor Seminar Hall. The topic of the lecture was Personal Effectiveness and Success Principles which was informative and encouraging to the First Year students who had just embarked on their professional education. Mr Mushtaq made the students aware of the skills required to be successful engineers. All the students participated enthusiastically in the interactive session leaving behind their inhibitions and stage fear as a result of the motivating message they had heard.
