## **HUMANITIES & SCIENCES**

### **VISION**

---

To foster the excellence of analytical, critical and speculative approaches of the physical sciences and English so as to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

### **MISSION**

---

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, Mathematics, Physics, Chemistry and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

### **SALIENT FEATURES:**

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality, creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to make students ready for the modern job scenario.

Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

## **Motivational seminar by Dr. Chiranjeevi Ambaragonda on 24 January 2023**

All the I year students were privileged to have an Exclusive Motivational Seminar by the veteran speaker Dr. Chiranjeevi Ambaragonda on BE THE BEST. The programme was inaugurated at 10.00 AM in the third floor Seminar Hall with an invocation song and introducing the chief guest to everyone. Dr. Chiranjeevi Ambaragonda widely known as Medha Chiranjeevi, is the founder and chief coach of Medha Language Theatre, a unique platform for learning Spoken English, Soft Skills and Personality Development. He is an English Language Specialist, Author, Entrepreneur, Motivational Speaker, Mentor and a much sought after Corporate Coach.

Dr.Chiranjeevi shared his expertise with all the NNRGIANS. He said to students about goal setting and choosing the correct path in the life. He made students to take part in several knowledge filled games and taught them the importance of correct selection at the right time. Dr.Chiranjeevi said to students about the final goal of every person is achieving happiness in life, which can be possible only when students choose the correct destination. He also emphasized on the importance of practice and hard work in one's life, by giving his own life as an example.

He said that, when he was a student he was scared of English language but how he has overcome that and now he has become a trainer of English to universities abroad too. He said that he could get this only through practice. He also stressed the point that practice makes a

man perfect. Dr.Chiranjeevi advised all the students not to consider any subject as a difficult subject instead he asked everyone to practice that subject as their favourite subject.

The session was an interactive one; all the students participated enthusiastically in the Question and Answer session. The director felicitated the chief guest with a memento and shawl as a token of appreciation. The programme ended with vote of thanks.

### **I B. Tech Parent -Teacher Meeting: 10 Feb 2023**

A Parent-Teacher Meeting was held on 10 Feb 2023 in the ground floor Conference Room. Parents of 119 students attended the meeting. All the subject teachers as well as mentors spoke with the parents who attended the meeting. The HOD of Humanities and Sciences Dr. E. Chandra Shekar monitored the meeting and spoke to some of the parents. The parents were given feedback forms in order to identify their views about the college facilities and also about their children's performance, attendance and study time at their residence. Parents filled the feedback forms and returned them to the teachers.

All the parents found the quality of infrastructure and facilities such as laboratories and classrooms outstanding and were happy with the teaching-learning process. Everyone was happy with the communication from the college about their children's academic performance, discipline and attendance.

The counsellors advised the parents to visit the college at least once a month to stay updated regarding the progress of their wards and to send their wards to college regularly. They also advised the students to spend more time on their studies.
