HUMANITIES & SCIENCES

VISION

To foster the excellence of analytical, critical and speculative approaches of the physical sciences and English so as to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

MISSION

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, Mathematics, Physics, Chemistry and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

SALIENT FEATURES:

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality, creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to make students ready for the modern job scenario.

Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.
