HUMANITIES & SCIENCES

VISION

To foster the excellence of analytical, critical, and speculative approaches of the physical sciences and English to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

MISSION

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, and Mathematics, Physics, Chemistry, and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

SALIENT FEATURES

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality and creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry, and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology, and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem-solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to prepare students for the modern job scenario.

The Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA, and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

Awareness programme on Drug Abuse & Cyber Crime

The awareness programme on drug abuse aimed to educate participants about the dangers of drug use, promote healthy lifestyle choices, and provide resources for those struggling with addiction. This initiative is crucial in combating the rising prevalence of substance abuse in our community. The programme was organized by the Training and Placement Cell and Anti-Drug Committee. The lecture was delivered on **25-09-2024** by the Chief Guest, **Sri K Subbarami Reddy, DSP, Telangana Anti Narcotics Bureau**. He shared his expertise and experiences, which have enlightened and inspired the students.

Bathukamma Celebrations

On **5th October 2024**, NNRG celebrated **Bathukamma**, the traditional floral festival of Telangana, with great enthusiasm and cultural fervour. The event was organized by the **Women's Cell** in collaboration with the **Art & Cultural Committee** of the institute, and it brought together students, faculty, and staff to celebrate the rich cultural heritage of the region. Bathukamma, which marks the beginning of the nine-day festival of **Dasara**, is a celebration of nature, femininity, and the bounty of flowers, making it a significant occasion for the community. The Women's Cell and the Art & Cultural Committee decided to bring the Bathukamma festival to the NNRG campus, allowing students and staff to experience the cultural and spiritual significance of the occasion.

Guest lecture by Dr.Sanjay G Shah CMO, NIT Surat, on the topic, Silent Killer: Substance Abuse Prevention organized by IIC and Yoga Club

On **17th October 2024**, Dr. Sanjay Shah, Chief Medical Officer (CMO) NIT Surat, delivered an impactful guest lecture on the topic "Silent Killer: Substance Abuse Prevention". The session was organized by IIC in collaboration with the Yoga Club of NNRESGI. The lecture aimed at raising awareness about the critical issue of substance abuse, its harmful effects on individuals and society, and the strategies for its prevention. Dr. Sanjay Shah's expertise in public health, combined with his position at NIT Surat, made him an ideal speaker to address this important issue.

The lecture was attended by the **First Year students and faculty members** from the institute. Through this lecture, the organizers hoped to provide valuable insights into how substance abuse affects mental and physical health, as well as offer prevention techniques and resources for intervention. Dr. Shah's engaging and thought-provoking session left a lasting impression on the audience. The event was successful in spreading awareness about the dangers of substance abuse and the importance of prevention. It also highlighted the crucial role that institutions, families, and peer groups can play in combating this issue.
