HUMANITIES & SCIENCES

VISION

To foster the excellence of analytical, critical, and speculative approaches of the physical sciences and English to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

MISSION

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, Mathematics, Physics, Chemistry, and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

SALIENT FEATURES:

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality, and creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry, and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology, and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem-solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to prepare students for the modern job scenario.

The Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA, and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

ELITE GATHERING

The student assembly is conducted every fortnight, gathering the students of Schools of Engineering, Pharmacy & Management Sciences under the guidance of Dr I. Sirisha, Ms. Jisha Cletus Joseph and Mr. N Balamurugan from the H&S Department. Elite Gathering gives a platform to the students to improve their public speaking skills, confidence, and presentation skills as they are given a topic well in advance to prepare for and deliver a speech or present their views.

PARENT-TEACHER MEETING:

The Parent-Teacher Meeting (PTM) for the academic year 2023-24 was conducted on December 8, 2023. The event aimed to provide parents with insights into their wards' academic progress, address concerns, and foster effective communication between parents and teachers. The active participation of parents reflected their commitment to their child's education. 156 Parents attended PTM. The meeting was organized in the college ground floor conference hall. Overview of Academic Performance: Teachers discussed the overall academic performance of students, highlighting strengths and areas for improvement.

Attendance Records: Attendance details were shared with parents to ensure they were aware of their wards' regularity in attending classes.

Individual Counseling: Teachers engaged in one-on-one discussions with parents to address specific concerns and provide tailored guidance based on the student's progress.

CLUB ACTIVITIES

The Department of Humanities and Sciences conducted a poster presentation and Quiz Competition on the topic “**Applications of Mathematics in Engineering and Technology**” on 22 December 2023 on the occasion of National Mathematics Day, commemorating the 137 Birthday of Sri. Srinivasa Ramanujan.

The main objective of the event was to celebrate Sir Ramanujan’s birthday and make students realize the practical and daily life applications of Mathematics in engineering and technology. The students of first-year B.Tech enthusiastically presented and participated in the events. The event was inaugurated by the director Dr.C.V .Krishna Reddy, along with all the Deans and heads of the departments of NNRESGI in the ground floor auditorium.

A total of 46 teams, consisting of two members in each team presented their posters in the second-floor drawing hall no S-27 and a day before i.e. 21/12/2023 total of 123 teams participated in the quiz competition consisting of two members in each team, which was conducted on the third floor EEE conference hall and second floor ECE conference hall.

FRESHER'S DAY

Fresher's Day celebrations 31 Dec 2023

Fresher's Day was celebrated in the college. The students of senior batches organized a party to welcome the I Year BTech students. Many cultural activities were performed and the juniors were given lunch after the gathering.
