## **HUMANITIES & SCIENCES**

### **VISION**

---

To foster the excellence of analytical, critical, and speculative approaches of the physical sciences and English to provide a firm foundation for intellectual and creative experiences as well as to enrich students' lives enabling them to meet the needs of the society

### **MISSION**

---

The department plays a pivotal role in preparing the students to face the challenges at the global level by imparting intensive training in English communication skills, ethics, Mathematics, Physics, Chemistry, and Environmental studies. It offers a platform to exhibit their hobbies such as literature, photography, etc., providing respective clubs and related faculty in the college.

### **SALIENT FEATURES**

The Department of Humanities and Sciences is the foundational department of NNRG. The committed faculty in the department is well-known for their intellectual vitality, and creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry, and Environmental Sciences.

The department plays a major role in shaping their career which includes science, technology, and language skills. It provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem-solving ability of the students. The department is always keen to offer students an academic experience of thinking, learning, and doing.

The H&S department has extended its support for aptitude and communication skills enhancement classes to prepare students for the modern job scenario.

The Humanities & Sciences Department is also a Supporting Department to all Engineering Branches, MBA, and Pharmacy.

The Department often conducts Motivational and Personality Development classes for students by inviting eminent personalities.

## Events conducted by H&S Department

**Poster Presentation:** Theme “Nurture the Future” and Topics are:-

- 1) Impact of Social Media on Health
- 2) Solar Energy: Energy of Future
- 3) Green Technology

Poster Presentation, a part of the NNRESGI National Technical Symposium “Tech Samprathi2k24”, was conducted successfully with 99 teams with 297 students from all branches of NNRG & Other institutions. The students participated enthusiastically.

This event provided an excellent platform for beginners to showcase their talents as performers or presenters. Additionally, allowing students to coordinate and conduct the event not only gave them practical exposure but also valuable experience in event coordination. This type of hands-on learning can be incredibly beneficial for students as it allows them to apply theoretical knowledge in a real-world setting and develop essential skills.
