

Parent - Teacher Meeting (PTM) 2025-26

The Parent - Teacher Meeting (PTM) for the academic year 2025-26 was conducted on **November 22 nd, 2025**. The event aimed to provide parents with insights into their wards' academic progress, address concerns, and foster effective communication between parents and teachers.

The PTM saw a commendable turn out with a substantial number of parents attending across all courses and semesters. The active participation of parents reflected their commitment to their child's education. -- Parents attended PTM. 135 parents

The meeting was organized in the college ground floor conference hall, which provided a conducive environment for open discussions. Each faculty member had a designated area where they could meet parents individually to discuss academic performance, attendance, and overall well-being.
