Organizing
Orientation session on

**SAP Consulting Opportunities for
Engineering and Management Graduates**

Date: 13th March 2025 *Time:* 11:00 AM

Venue: Conference Hall, Ground Floor, NNRG

Organized by: SAT Infotech Pvt Ltd in association with IIC, NNRG

Speaker: Mr. Veera Swamy Avara

An awareness program on SAP consulting opportunities for engineering and management graduates was conducted on 13th March 2025 at NNRG, Hyderabad. The event was organized by SAT Infotech Pvt Ltd in association with the Institution's Innovation Council (IIC), NNRG. The session was aimed at educating students about the potential career opportunities in SAP consulting and the evolving landscape of Enterprise Resource Planning (ERP) solutions.

The program commenced with an introduction by Engineering Dean, Mr. Janardhana Raju, followed by insightful discussions led by distinguished faculty members, including Dr T Ravindra Reddy, Dean-SoMs, Dr. G. Subba Rao, IIC- Coordinator, Dr. P. Gopinadh Rao, Mr P Srinivas, Mrs N Lavanya.

Key Highlights of the Session:

1. SAP as a Leading ERP Solution

- SAP is the leading ERP solution worldwide due to its efficiency, scalability, and cost-effectiveness.
- It has continually adopted new technologies such as public cloud solutions to enhance its capabilities.

2. Evolving Job Roles in SAP

- Mr. Veera Swamy Avara emphasized that SAP provides numerous functional job opportunities.
- He highlighted that AI advancements are reducing the need for support-based SAP jobs.

3. Skills and Education for SAP Careers

- To build a successful career in SAP consulting, students must focus on obtaining a strong educational foundation.
- Proficiency in English and communication skills play a crucial role in securing jobs in SAP consulting.

4. Placement Assistance and Institutional Support

- The institute provides excellent guidance and placement assistance to help students secure promising careers in SAP consulting.

The session concluded with an interactive Q&A session where students actively participated and gained deeper insights into SAP careers. The program was a great success, providing valuable information and motivation to aspiring professionals looking to build a career in SAP consulting.
