23-11-2024

A report on "Exposure and Field visit for Problem identification -In schools of Zilla Parishad High School boys & girls, Old Alwal and Z P High School Boys, Ghatkesar, Govt High School Bollaram"

Students from the ECE Department at Nalla Narasimha Reddy Education Society's Group of Institutions, the Institution's Innovation Council (IIC), organized a one-day Outreach Program on 23-11-2024 to introduce STEM education to students from various government schools. Engineering students taught the fundamental concepts of latest technologies through interactive sessions, demonstrations, and hands-on activities. In addition to fostering curiosity and interest in current trending technologies among young learners, the program effectively engaged more than 100 participants.
